

## CREATING A PAGE IN CLASSY

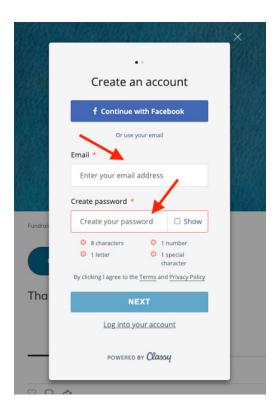

- For US, go to: <a href="https://give.team.org/campaign/support-a-kingdom-worker-us/c320637">https://give.team.org/campaign/support-a-kingdom-worker-us/c320637</a>
- For CA, go to: <a href="https://give.ca.team.org/campaign/support-a-kingdom-worker-ca/c332026">https://give.ca.team.org/campaign/support-a-kingdom-worker-ca/c332026</a>
- Click on **BECOME A FUNDRAISER**

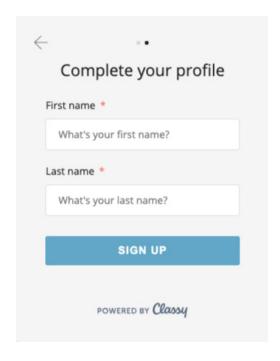

• On the next screen/pop-up window, click on CREATE AN ACCOUNT

 On the next screen/pop-up window, enter your email address and choose a password then click on NEXT

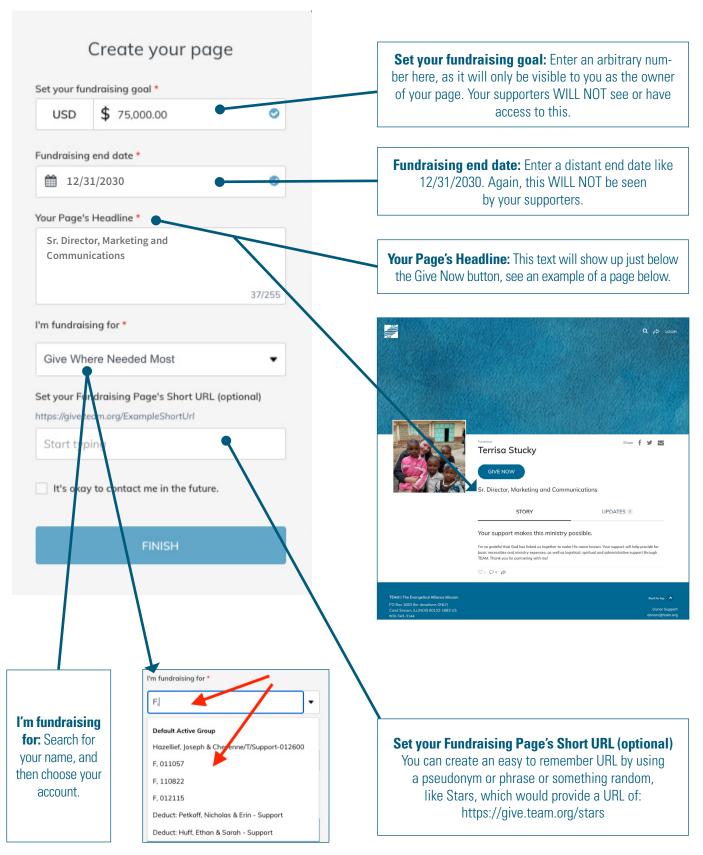

• On the next screen fill in the name fields with what you want your page to display, **THIS IS WHAT THE PUBLIC AND YOUR DONORS WILL SEE** and how your donors will search for you.

 Once in, you will then be prompted to Create your page. Your "Fundraising Page" will be where your donors will come to give to your support.

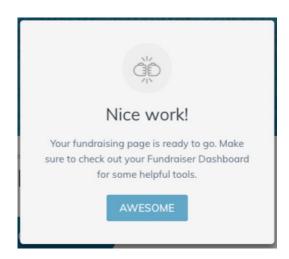

(PLEASE NOTE, there are some fields that Classy requires that we (T-org) have chosen not to utilize.)

 Once you click FINISH, classy will guide you through the next steps to complete your page. There will be some additional "Member Questions" that pop up, all of these are optional, so feel free to leave them all blank and scroll to the bottom and click on FINISH.

 Once it processes, you should see a "Nice Work" tile with a message that your page has been created. Once you click on the "Awesome" button, Classy will then highlight some key areas of your page.

• To grab your giving link to share in newsletters and emails, you will need to copy and paste the URL that is showing when your page is on the screen.
