

- For US, click [HERE](#)
- For CA, click [HERE](#)
- Once on the landing page, click on **BECOME A FUNDRAISER**

- On the next screen/pop-up window, Classy will prompt you for the information to **CREATE YOUR PROJECT PAGE**

1. **Set a goal** for what you would like to raise for the project.
2. **Choose an end date**, this field is required but it won't allow a date too far out, so use 12/31/2030 (this is arbitrary and won't be seen by donors).
3. **Use the generic headline or create one of your own**. This will show just below the GIVE NOW button.
4. **This is where you will search** for your project designation.
5. **You can choose a custom URL** in this area. Or leave blank if you don't want a custom URL.

The screenshot shows the 'Create your page' form. The fields and their corresponding instructions are:

- Set your fundraising goal ***: USD \$ 5,000.00 (Instruction 1)
- Fundraising end date ***: 12/31/2030 (Instruction 2)
- Your Page's Headline ***: Thank you for joining in God's Kingdom work! (Instruction 3)
- I'm fundraising for ***: Project(AP): Nepal Sewing Center 5N3331 (Instruction 4)
- Set your Fundraising Page's Short URL (optional)**: https://give.team.org/ExampleShortUrl (Instruction 5)

At the bottom of the form, there is a checkbox for 'It's okay to contact me in the future.' and a 'NEXT' button.

- After clicking on the **NEXT** button, you will be prompted to add an image. Upload your choice for the project or email marketing@team.org to pull from TEAM's library of photographs from the field.

- After choosing and adding your project photo, there will be some additional **"MEMBER QUESTIONS"** that pop up, all of these are optional, so feel free to leave them all blank and scroll to the bottom and click on **FINISH**.

FINISH

- Once it processes, you should see a **“NICE WORK”** tile with a message that your page has been created. Once you click on the **“AWESOME”** button, Classy will then highlight some key areas of your page.

- To grab your **PROJECT GIVING LINK** to share in newsletters and emails, you will need to copy and paste the URL that is showing when your page is on the screen.

This URL is your project page giving link.

This is where you will manage your project page.

DBS Radio for Northeast Asia

\$0 Raised \$50,000
