

Philosophy

Kids & Co. Child Care believes each child is a unique individual. We are sensitive to his or her social, emotional, physical and intellectual needs. The goal of our program is to provide an environment conducive to learning and growing through

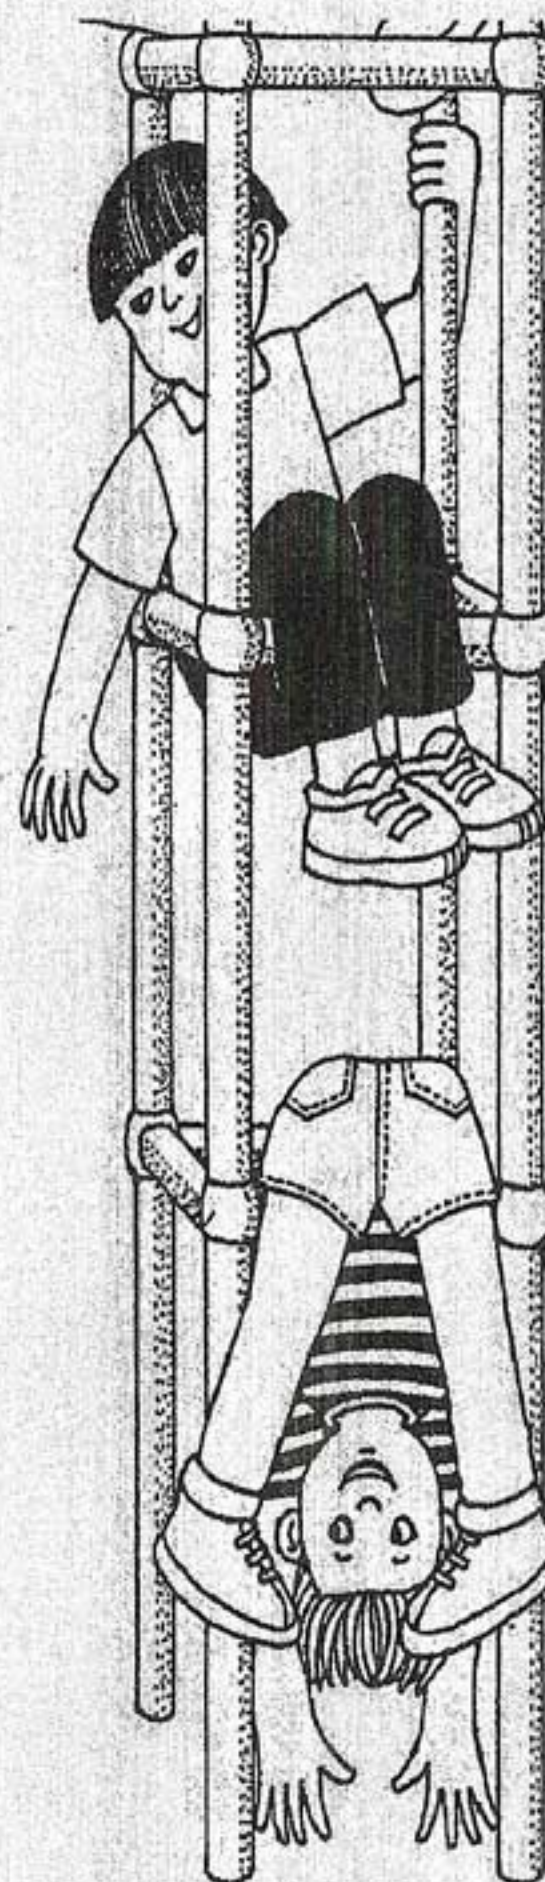

hands-on experiences. Our preschool program provides a structured environment in which learning is accomplished through a variety of activities.

Licensing

The age requirement for Kids & Co. Child Care Center is 2 1/2 to 10 years old. We are licensed for 24 children. We accept full-time, part-time and drop-ins. A qualified staff person supervises the children at all times.

Food

We provide breakfast (cereal and juice) from 7:30-8:00 A.M. and two snacks. Lunch is a packed lunch you send. We have a refrigerator and microwave, so almost anything is possible!

Conferences

Parents are invited and encouraged to spend a few minutes each week talking with the staff about their children. Conferences will be offered twice a year or upon request. A record is kept of the child's intellectual, physical, social and emotional status.

Goals

- To ensure a sense of adventure and creativity, to build social relationships and to develop a healthy self concept in the child.
- To further develop educational skills and cultural interests.
- To help develop respect for others, responsible behavior and positive attitudes.
- To stress the importance of group cooperation while maintaining the needs of each individual child.
