

RE BROKERAGE TEAM FORM

JANUARY 1 TO DECEMBER 31, 2025

BROKERAGE TEAM OF THE YEAR. Each brokerage may submit revenue numbers for their best performing team. To qualify as a team, the applicant must have no less than 2 producing brokers (support staff does not qualify). The total revenue generated by the team will be divided by the total number of revenue-producing brokers on the team. The team with the highest average production per broker will be given the award. In the event that an individual who wins one of the broker of the year awards is also on the team of the year, that broker shall have the option of which award they prefer to be awarded and the second-place applicant in the other category will be awarded in the category not selected by the winning applicant.
