FIRE WATCH SERVICE SCOPE & PRICING

- American Security & Control (ASC) will provide fire watch officers.
- Fire watch officers will patrol the areas affected by the impaired fire alarm/fire supression systems
- Officers will watching for signs of smoke or fire
- Patrol activity will be recorded on patrol logs in compliance with the fire watch regulations. for your jurisdiction.
- Officers performance and activity will be monitored by ASC's quality control team.
- ASC will create the fire watch plan and send it to the fire marshal on the client's behalf after the client approves it. The client decides how many officers are needed, but the fire marshal must approve the number of officers.

Schedule:To be determined/as needed

Hourly cost per officer:
Standard Service (Day 1 - 14) = $39.85 per hour
Extended Service (Starting Day 15) = $37.00, per hour*
*After 14 consecutive service days, the rate drops to $37per hour starting on day 15.
