

ANEMONE FRIENDSHIPS

Sea anemones and clownfish have a **mutualistic relationship**. They both benefit from their interactions. It is like they are best friends! They love to be together.

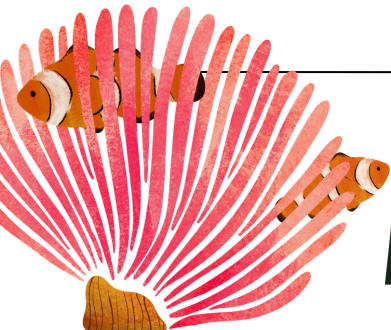

In this challenge, you will write about their friendship from both perspectives. Follow the prompts on pages 1 and 2 to guide your writing. Draw and color a sea anemone and clownfish on page 3.

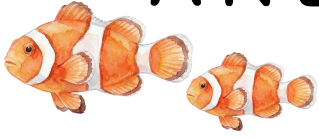

From the perspective of a SEA ANEMONE.

Paragraph #1: Describe your clownfish friend. How does it look? How does it act?

Paragraph #2: Describe why you like to be around your clownfish friend. How does it make your life better?

ANEMONE FRIENDSHIPS

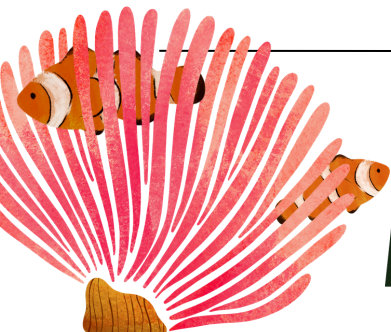

From the perspective of a CLOWNFISH.

Paragraph #3: Describe your sea anemone friend. How does it look? How does it act?

Paragraph #4: Describe why you like to be around your sea anemone friend. How does it make your life better?

ANEMONE FRIENDSHIPS

Draw and color your sea anemone and clownfish friends.
