

Limiting Factor Framework

Identify if each factor is density dependent or density independent by circling the correct answer.

1. Wildfire

Density-
Dependent

Density-
Independent

2. Pollutants

Density-
Dependent

Density-
Independent

3. Predation

Density-
Dependent

Density-
Independent

4. Hurricane

Density-
Dependent

Density-
Independent

5. Heatwave

Density-
Dependent

Density-
Independent

6. Available Territories

Density-
Dependent

Density-
Independent

7. Mate Options

Density-
Dependent

Density-
Independent

8. Food Availability

Density-
Dependent

Density-
Independent

9. Water Availability

Density-
Dependent

Density-
Independent
