STARTLE DISPLAY DESIGN

Design a pretend animal that uses deimatic behavior (a startle display) to escape from predators. Answer the questions below to plan your design.

Circle: What kind of animal is it?

Mammal Bird Reptile Fish Amphibian

Circle: What kind of habitat does your animal live in?

Forest Ocean Grassland Desert River

Circle: What does your animal eat?

Leaves Other animals Insects Fruit Both plants & animals

Give 3 examples of predators that would eat your animal.

Future ZOOLOGIST Academy

STARTLE DISPLAY DESIGN

Draw and color your animal when it is resting/relaxed.

Draw and color your animal's startle display.
