In most areas of the country, state or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements. **Disclaimer of Warranties:** Waite Funeral Homes makes no representation or warranties regarding caskets or outer burial containers. The only warranties, expressed or implied, granted in connection with caskets and/or containers sold are the express written warranties, if any, extended by the manufacturers thereof. Waite Funeral Homes, hereby expressly disclaims all warranties expressed or implied, relating to the caskets and/or containers, including, but not limited to, the implied warranties of merchantability and fitness for a particular purpose.

## PAYMENT POLICY

*We are a family-owned business that strives to treat every family we serve fairly and equally. We realize that losing a loved one is a devastating experience, and we want you to know we are here to assist you in arranging a service to meet your family's needs and budget. In an effort to provide the finest services and merchandise possible while minimizing our cost to do so, we respectfully request that payment is made at the time services are arranged. For your convenience, the following payment options are available:*

- **Assignment of verifiable life insurance**—Many families elect to utilize life insurance to cover funeral expenses. We will help file the insurance claim with assignment to the funeral home. A nominal fee of \$125 on assignments of \$3600 or less, or 3.5% on assignments of more than \$3600 will be added to the funeral statement for processing of the insurance claim.
- **Cash or check**—Cash or check payment by the day of provided services; if services are scheduled more than one week from arrangements, payment is expected within 7 days of arrangements.
- **Credit card**—We accept Visa, MasterCard, American Express, & Discover.
- **Pre-funded funeral arrangements**—Any remaining balances are due by the day of provided services. In cases where the deceased's estate will be utilized to pay funeral expenses, we kindly request that family representatives pay the funeral statement and file a claim for reimbursement with the deceased's estate.
- If a decedent was receiving Medicaid benefits, we may be required to return excess preneed funds to the Ohio Medicaid Estate Recovery program instead of refunding to the estate of the decedent.
