Community Scholarships Program

Many of our donors have honored their loved ones, communities, high schools, colleges, or professions by endowing scholarship opportunities through their local Community Foundation. Together, these scholarships make up our Community Scholarships Program. This program is designed to support an array of students pursing different levels of education across Southwest Indiana and in select areas of Illinois and Kentucky. After applying to our 2025–2026 Community Scholarships Common Application, you will be matched with the scholarships you're eligible for.

Program Highlights

- **Wide Range of Awards:** Hundreds of scholarships for graduating seniors across Southwest Indiana and select areas of Illinois and Kentucky.
- **Simple Application Process:** Scholarships can be completed through our online Community Scholarships Common Application.
- **Pay special attention to our off-cycle and outside scholarships that require a separate application.**
- **Deadline:** Applications are open today and close on January 19, 2026, at 11:59 p.m.

Start your application early!

All supplemental materials must be submitted by the deadline, so build in plenty of time for each step. Give your references time to complete their recommendations, allow yourself enough time to write thoughtful essays, and request your transcripts early so your Guidance Counselor has time to process them.

A diverse Scholarship Committee will carefully review all scholarship applications using a consistent, equitable scoring rubric.

Each committee is committed to a fair and impartial selection process. Any potential conflicts of interest must be disclosed, reviewed, and appropriately addressed to ensure the integrity of the process.

SELECTION

The rubric scores will then be used to identify the most qualified recipients.

These recipients will be recommended to move forward.

APPROVAL

Selected recipients will be submitted for final approval to the Community Foundation Alliance Board of Directors. Once approved, recipients will be notified of their selection via email.

Along with the email notification, recipients will be required to complete an Acceptance and College Selection Form.

Notes

How are we able to support local students?

Our Community Scholarships Program is made possible by the generous Scholarship Fund's founders. These members of the Southwest Indiana community believe in investing in education to advance the next generation.

When a Scholarship Fund is created at the Community Foundation Alliance, resources are provided to students based on the selection criteria that matter most to our donors. These funds leave a legacy that enriches our community for generations.

Scholarship Funds honor loved ones, assist specific student populations, and encourage students to pursue different fields of study.
