Information Drop-in Event - Proposed Redevelopment of 1-8 The Knoll, Uley

Uley residents are invited to attend an informal information drop-in event for the proposed redevelopment of the above site. This event is an opportunity for local residents to view the proposed plans for the site and provide feedback prior to the council submitting a planning application. SDC officers and consultants will be in attendance to discuss the proposals and address individual queries in more detail.

The event will take place on **Wednesday 30th September** at Uley Village Hall, The Street, Uley, GL11 5SJ. Due to the anticipated number of attendees, we will have two time slots with the aim to provide residents with a greater opportunity to speak with officers and consultants. The first time slot will be between 4pm and 5pm and the second time slot between 5:30pm and 6:30pm.

A dedicated web page has been created for The Knoll on the Stroud District Council website. Please find the link below.
