## Q and A

- **What if we change the date?** This is no problem provided that I can make your new date, everything will simply be rolled over. If the date has had to change due to COVID reasons and I cannot make the new date - then I will refund all payments made. If your date has changed for any other reason I am not obliged to offer a refund.
- **What if we change the location?** No problem, if I need to travel further there maybe an impact on travel/accom costs.
- **What if we want a second Photographer?** I will do my best to find a second photographer from my extensive connections and as you would expect this will have a pass on cost.
- **What if something happens to Suzanne?** If for any reason that I can no longer make your date, **all** payments made are refunded and I will do my best to try and find you a replacement photographer from my extensive contacts.
- **Are you insured?** Yes, I have full public liability insurance.
- **How do we get our Photos?** Your full downloadable, sharable gallery of low resolution images (suitable for electronic uses) will be ready within 4 weeks of your wedding. A memory stick will be sent to you with all high/low resolution images within 6 weeks. Images are not watermarked.

## Q and A

- **How many electronic images do we get?** Hard to say exactly but lots - the more hours worked the more images will be provided. I can share with you a full gallery of a recent wedding.
- **Can we see a gallery from a REAL Wedding?** Of course, please send me an email address and I can share.
- **We would like to see some references?** You can see my reviews on google and I can put you in touch with recent clients if you wish.
- **What are your travel costs?** The first 50 miles from my home location (Axminster) are included in the prices. After that I charge 40p/mile.
- **What about overnight accommodation?** If you need me to stay at your event beyond 9 pm or be at your home before 8 am, then depending on the distance, overnight basic single accommodation would be charged.
- **What if I decide I want an album or prints later?** No problem at all - we can discuss what you need (size, pages etc) and I will provide you with a quote.
- **What else?** Lets grab a coffee and chat!
