Living Memorial®
P R O G R A M

*"I will smile when
I think of a small
sapling growing
tall over the years
to celebrate my
husband's life."*

Batesville.com

The memory of your
loved one lives on with
the planting of a tree.

Batesville's Living Memorial® program, offered through your funeral home, is a unique and special way to honor the life of your loved one. When you select a Batesville casket, container or a full size urn, a request may be made for a tree seedling to be planted in a national forest as a living tribute and memorial to the deceased – at no additional cost to you.
