

Classified Payment Form

2025 - 2026

Name: _____
School: _____

The professional development day component provides four district PD days, pre-approved by the Principal and/or the appropriate District Supervisor. These days are to be used for staff and curriculum development goals that meet the strategic plans of the School, District, and State. Each day is considered to be the hours that are contracted for their regular school day.

Complete both sections and turn this original form and a photocopy into your Principal by the first working day of the month. Payment for Classified PD days will be made on June 15th after payment eligibility is determined. **All Professional Development Days must be submitted by May 22**
