Attendees:

Welcome and Introductions

A few Questions:

What do you predict will be the next big trend in Emery County public schools?

What does innovation look like in Emery County Schools?

Can we agree and unite around the work that is needed to establish a strategic vision?

Agenda

Tonight's agenda is designed to begin a focus on the establishment of:

- An Emery County School District strategic planning initiative
- A strategic planning Stakeholder Group
- A scope of work that details concepts specific to
 - Organizational purpose and vision
 - Performance Goals
 - Activities for achieving performance goals
 - Metrics
 - Timelines
 - Funding
 - Emphasizing teaching and learning, growth in student performance, organizational management, and stakeholder communications
 - A timeline for implementation

Stakeholder Objectives

To develop a clear, actionable strategic plan that enhances student achievement, aligns with the district's mission, community values, learning standards, systems of support, including a facilities use 10-year plan, and implementation of the Emery Portrait of a Graduate.

Tonight's Talking Points.
