

Strategic Planning Meeting Agenda

November 13, 2025

Ferron Elementary School

Time: 7-8:00 PM

Virtual link:

1. Welcome and Overview

2. Woolpert Demographic and Facilities Use Report Review

Objective: Understand findings and implications for strategic planning.

- What opportunities or challenges are indicated by the data?
- Which areas may require strategic investment or adjustment?
- How does this align with our long-term goals?

3. Committee Updates

- Share progress and ensure alignment among committees.
- Each committee please provide a brief status update, key findings or concerns.

4. Committee Needs Discussion

- Identify and address resource or information gaps.
- What additional support or data does each committee need to move forward?
- Are there overlaps or opportunities for collaboration between committees?
- Confirm next steps for addressing identified needs.

5. Survey Question Development

Objective: Develop clear, actionable survey questions for feedback collection.

A. Student Survey

Identify purpose: What do we need to learn from students? (e.g., program satisfaction, academic environment, extracurricular needs)

- Draft question topics:
 - Program availability and interests

- Future needs and suggestions
- Age-appropriateness survey and alignment with goals

B. Stakeholder Survey (20 min)

- Draft question topics talking points:
 - Programmatic priorities
 - Community growth and partnership opportunities
 - Vision and priorities for future development
- Survey structure and distribution plan
