TRAINER ARMOUR®

BIG TOE HOLE PREVENTER / HEEL HOLE PREVENTER

- Self-adhesive patches that prevent big toe and heal holes from forming
- Stop holes from getting worse if they have started to appear
- Thin patches fit inside footwear and are unnoticeable once applied
- Patches are manufactured from tough abrasion and tear resistant material
- Each pack contains 2 self-adhesive patches, a left foot applicator and a right foot applicator

Prevent big toe holes

Fit preventer patches in running shoes or trainers to stop the holes appearing

Unnoticeable after fitting

Patches are thin but very hardwearing

One size fits all

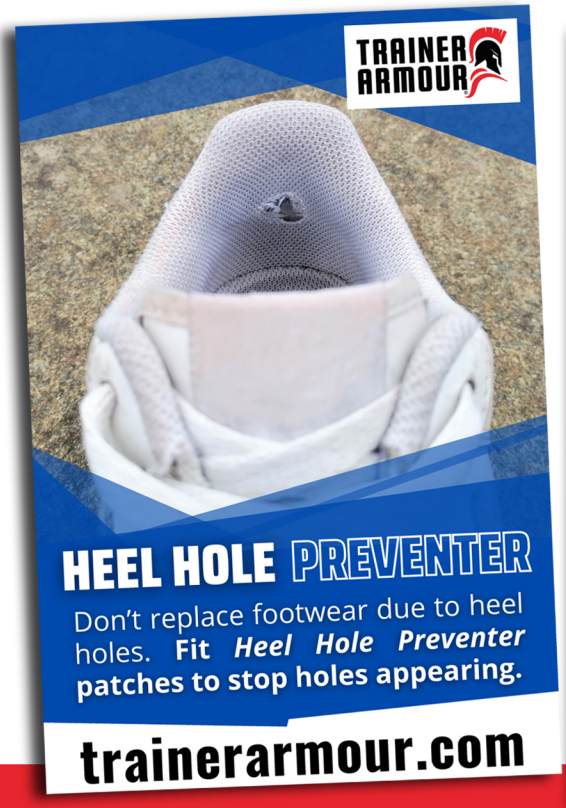

Suitable for shoe sizes from 3 up to 12

No mess or fuss

The applicator ensures self-adhesive patch is positioned in the correct place every time

NOW AVAILABLE IN BLACK OR WHITE
