Our story

Yor Ribs is a place to feel at *home*. Right in the heart of Zell am See, only a few minutes away from the lake and the skispistes.

You can eat *good* food, drink a *cocktail* with your friends and have a small talk with the *chef*. The open kitchen, the green velvet couches and *cosy* atmosphere make your night complete. Our *bull* keeps an eye on everything, with his tough look and small *heart*.

At our place, you feel and taste that we *love* cooking as much as eating good food ourselves. Whether you are a *carnivore* or a *vegan* lover, our goal is to serve food with a taste that you will remember.
