WHAT IS THE ONE CENTRE?

The ONE Centre is the North East's only dedicated LGBTQ+ community centre, welcoming everyone. A place where you can be yourself, feel supported and know you belong.

More than just a building, the ONE Centre is a community. It's somewhere people can feel safe, supported and accepted. Every month, hundreds of people walk through our doors. Some come to make new friends. Some join community groups or wellbeing activities. Some need practical advice or support through difficult times. Others simply want a cup of tea, a friendly conversation and the reassurance that they will always be welcomed with a smile.

Many tell us it's the first place they have ever truly felt accepted.

Our work reaches far beyond the ONE Centre. We support people across the North East through outreach, Pride events, partnerships and community projects, helping people who are isolated, living in rural communities or unable to access support where they live.

Whether someone is LGBTQ+, a family member, friend, or ally, we believe everyone deserves somewhere they can be themselves, build lasting friendships and feel part of a community.

The ONE Centre changes lives every day. With your support we can make sure it is here whenever someone needs it.

YOUR SUPPORT MAKES ALL THE DIFFERENCE

The ONE Centre exists because people like you believe everyone deserves somewhere they belong.

Every monthly donation, no matter the size, helps keep the ONE Centre open, welcoming and free for everyone. By becoming a monthly supporter, you'll help provide a safe space where people can connect, find support, make friends and be themselves. **From just £5 a month**, little more than the price of a coffee, you can make a real difference.

Your monthly donation helps us:

- Keep the ONE Centre open, welcoming and free to access.
- Provide a safe space where people can connect, belong and be themselves.
- Deliver free community groups, wellbeing activities and one to one support.
- Reach LGBTQ+ people across the North East through outreach, events and partnerships.
- Ensure nobody is excluded because they cannot afford to take part.

Whether you become a Friend, Ally, or Champion, your support helps ensure the ONE Centre is here whenever someone needs it.
