

Venue hire pack

The ONE Centre

More than a venue. A place where your work helps strengthen our community.

At the ONE Centre, every booking tells a bigger story.

When you hire one of our spaces, you are not simply reserving a room. You are helping build a stronger, more connected community across the North East. Every penny generated through venue hire goes directly back into supporting the work of our charity and the community we work with.

Our facilities provide a practical, well equipped and welcoming environment for your work. Bright, flexible spaces are designed to help people think clearly, collaborate easily and create something meaningful together.

We are easy to reach for guests and colleagues, within walking distance of Pelaw Metro station and with free onsite

parking available, making it simple and convenient for people to attend meetings, events and workshops.

Our spaces are ideal for:

- small, comfortable rooms for 1 to 1 meetings and conversations
- welcoming meeting rooms for teams and community groups
- flexible hot desking space for freelancers and remote workers
- inspiring venues for workshops, training sessions and conferences for up to 160 people
- creative studio space for podcasts, livestreams and social media broadcasts

Whether you are planning a team meeting, hosting a workshop, producing a podcast or bringing people together to share ideas, the ONE Centre provides a comfortable, professional and creative environment where people can focus, collaborate and be inspired.

Book with Purpose

When you choose the ONE Centre, you are choosing more than a venue. You are investing in a place that supports people, strengthens communities and helps important work happen.

From charities and grassroots organisations to businesses, freelancers and partners, this is a place where people, ideas and purpose come together.

And we make it affordable.

To celebrate the launch of the ONE Centre, we are offering **50 percent off all midweek bookings for a limited time.**

It is our way of making our spaces as accessible and affordable as possible, ensuring cost is never a barrier to bringing people together, sharing ideas and making things happen.

Explore our spaces and let's start a conversation about how the ONE Centre can support your next meeting, event or idea.

Conference and Event Spaces

Our conference and event spaces are designed to bring people together in a welcoming, professional and inspiring environment.

Whether you are hosting a small team meeting, delivering training, running a workshop or organising a large conference, our flexible rooms can be arranged to suit your event. With spaces that accommodate everything from boardroom discussions to conferences for up to 160 people, the ONE Centre provides the perfect setting for conversations, collaboration and learning.

Many of our rooms are named after LGBTQ+ icons and important moments in history, celebrating individuals and milestones that have helped shape equality and progress. These names help give each space its own character and story, adding an extra sense of inspiration to the conversations and ideas shared within them.

Each space is bright, adaptable and supported by excellent presentation facilities, making it easy to deliver engaging sessions and memorable events. From community groups and charities to businesses, partners and public sector organisations, our rooms provide the perfect place to share ideas and connect with others.

And when you book with us, your event does more than bring people together. Every booking helps support our charity and the communities we serve.

Explore our conference and meeting spaces and find the perfect room for your next event.

Stonewall

Stonewall is more than just a meeting room. It's a relaxed, creative space where people can connect, think differently and feel comfortable while they work.

Set up boardroom style for up to 10 people, the room also includes comfy sofas, a pool

table, table tennis, a darts board and a large 85" screen. It blends the feel of a professional meeting space with a more relaxed environment where conversations flow and ideas can grow.

Whether you're planning a team meeting, creative session or workshop, Stonewall offers something a little different from a traditional meeting room.

Podcast Production

Our team can also support you beyond the space itself.

If you are recording a podcast, producing a broadcast or creating digital content, we offer production and editing support to help bring your ideas to life. Our dedicated team can guide you through the process, whether you need technical assistance, recording support or help shaping your final content.

Prices for production services are available on request.

If you have an idea in mind, let's start a conversation and create a bespoke package that works for you.

Additional Equipment Hire

We can provide a range of additional equipment to support photography, filming, and creative projects taking place in the venue.

This includes a Colorama backdrop frame with a selection of different coloured Colorama paper, along with studio lighting, making it suitable for photography shoots, portraits, or video production. We also have a pop-up green screen available for filming, live streaming, or digital background work.

Additional filming and broadcast equipment may also be available depending on your requirements. If you need specific equipment for your event or project, please let us know in advance and we will do our best to accommodate your needs.

Book Your Space. Support Our Charity.

As you can see, the ONE Centre is more than a community hub. It's a conference venue, broadcast studio and creative production space, designed to bring people together, share ideas and create meaningful content.

Whether you are planning a meeting, conference, broadcast, training session or creative project, our spaces and team are here to help make it happen.

And remember, every booking helps support our charity and the communities we serve. When you host your event or deliver your broadcast here, you are helping strengthen our community and make a positive difference.

Let's start a conversation about your next project.
