# The Pride Grid

Stand proud. Be visible. Together as ONE.

The Pride Grid is a simple and meaningful way to celebrate, remember, and stand alongside the LGBTQ+ community while supporting OUT North East. By taking a place on the grid, you help create a visible show of allyship at the ONE Centre. Whether you're marking a birthday, celebrating an anniversary, honouring someone's memory, or showing your organisation's support, your grid space matters. Add your company logo or a short message and take your place alongside others who believe in a safer, more connected community.

The Pride Grid is proudly displayed at the ONE Centre, the North East's dedicated LGBTQ+ community hub, and is seen by everyone who visits. Every grid square helps OUT North East deliver vital projects that ensure LGBTQ+ people feel safe, connected and valued.

## One grid – £120 (Size of this postcard)

Supports three welcoming coffee morning sessions where people can meet, chat and connect.

## Four grids – £480 (Size A4)

Helps us deliver three creative or wellbeing workshops, from crafts and film screenings to talks and community activities.

Make your support visible.
