Continuing the Journey with YP journeys

The world is a book, and those who do not travel only read one page. – Saint Augustine

Welcome to the YP journeys monthly newsletter. I am Yuri Pross, the owner of YP journeys, and your guide to travel, adventure, and lifetime experiences. "Irish Spirit" – a CIE Adventure Touring Ireland by Bus

During September, I took a group of friends and acquaintances on an adventurous bus tour of Ireland. We had a great time!!! CIE, a tour company, provided the tour. Brendan, our Irish bus driver and tour guide, kept us well-entertained and proved a fount of knowledge while expertly navigating the large bus through the narrow roads of the countryside and the villages. Our week started and ended in Dublin including four hotel stays (4-star), all breakfasts and many dinners. We visited the Waterford crystal factory where we saw some exquisite pieces in various stages of production. We also visited the Midleton Distillery – home of Jameson's Irish Whiskey and the "Spot" series of whiskey. This visit included whiskey tasting along with an exciting and informative tour!

We also visited the spectacular Cliffs of Moher, the enchanting Kylemore Abbey, and the historic Shannonbridge Fort. Did I mention the ancient castles, monasteries, or the sheepdog herding demonstration!!! Wow!!

If you didn't follow along, I invite you to join me for all my travels; you can find me at @ypjourneys on Instagram and Facebook.

European River Cruises vs Luxury Ocean Cruises (2)

River cruises and ocean cruises are truly two different experiences with more than simply subtle differences. Here is part two to help you as you formulate your plans for your next journey! For this month, I give you:

Luxury Ocean Cruising: Elegance on the High Seas

In contrast to river cruising, luxury ocean cruising is all about grandeur and variety. Picture yourself aboard a magnificent ocean liner, where every detail is designed to pamper and impress. These ships are essentially floating resorts, boasting world-class dining, luxurious spas, and high-end entertainment. The routes cover vast distances, offering passengers a chance to experience multiple countries and even continents in one voyage. Shore excursions are diverse, from snorkeling in the Caribbean and exploring ancient ruins in Greece, to shopping in high-end boutiques in exclusive ports. The scale and opulence of ocean cruising cater to those seeking a sophisticated and broad-ranging adventure, complete with fine dining, grand entertainment, and unmatched luxury. #TakeTheTrip #LuxuryOceanCruising
