

SAFETY RESTRICTIONS

- When you ride the Noosa Thriller, safety is our top priority. We have more than 38 years experience in commercial ocean boating activities, so rest assured you are in the safe hands of an experienced skipper.

Before departure, you will receive a mandatory comprehensive safety briefing and we ask that you listen carefully.

- Lifejackets are worn for the duration of the ride (fitted personally by the Skipper).
- The boat is equipped with all safety equipment.
- If you don't have glasses, we supply safety glasses.
- Hats get dislodged easily, but we do recommend sunglasses and sunscreen.
- Before departure, you will need to sign an indemnity form to show you understand the safety briefings and sea conditions you may encounter.
