

# MEMBERSHIP FEES + DUES

## Annual Girl Scout Membership Fees

All Girl Scouts must be registered through the official girl scout website. The cost is \$55. These fees go to the local council of Girl Scouts Southern New England as well as the national organization.

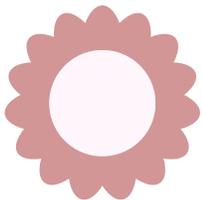

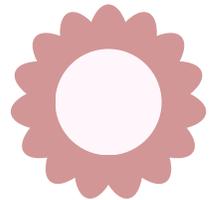

Register your girl scout at [gssne.org](http://gssne.org)

## TROOP DUES

We provide all materials for meetings as well as uniforms, badges and patches for our troop. We ask for an annual fee of \$85 to cover all of these costs.

All money made by the troop is kept in the troop! Girl Scouts will decide how the money is spent.

## Field Trips

Field trips will be paid on a per-case basis, the cost divided amongst the number of scouts attending. We'll always aim to keep outings accessible for all our troop members.

## Ask for Help

We don't want any girl scout to miss out on participating with us. If you need financial assistance, please let us know and we'll discuss options and payment plans.
