

# PETAL: USES RESOURCES WISELY

REDUCE. REUSE. RECYCLE.

## REDUCE

REDUCE MEANS TO USE LESS! THE FIRST STEP OF PROTECTING OUR PLANET IS USING ONLY WHAT WE NEED!

## REUSE

REUSE MEANS TO USE IT AGAIN! INSTEAD OF THROWING THINGS AWAY, SEE HOW MANY TIMES YOU CAN USE IT!!

## RECYCLE

RECYCLING IS USING THINGS IN NEW WAYS - TURN THAT TRASH INTO TREASURE! WHEN WE RECYCLE, WE TURN OLD THINGS INTO BRAND NEW ITEMS.

RESOURCES ARE WHAT OUR PLANET HAS TO GIVE US, AND IT'S OUR JOB TO MAKE SURE WE USE THOSE RESOURCES WISELY! WATER, PLANTS, ANIMALS, AND WOOD ARE ALL RESOURCES FROM OUR PLANET.

WHAT ARE SOME WAYS WE CAN MAKE THE MOST OUT OF THOSE RESOURCES?

# REUSE!

WE'VE SAVED LOTS OF TOILET PAPER ROLLS FROM GOING IN THE TRASH! LET'S TURN THEM INTO BIRD FEEDERS.

LET'S SEE HOW WE CAN TURN TRASH INTO TREASURE!

## WHAT WE'LL NEED

- TOILET PAPER ROLLS
- PEANUT BUTTER
- BIRD SEED
- STRING

STEP 1 - SMEAR PEANUT BUTTER ALL OVER YOUR TOILET PAPER ROLL.

STEP 2 - ROLL THE FEEDER IN BIRD SEED

STEP 3 - USE STRING TO HANG YOUR NEW BIRD FEEDER!
