

# PETAL: RESPECT MYSELF + OTHERS

HOW CAN I SHOW MYSELF RESPECT? OTHERS?

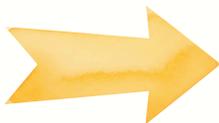

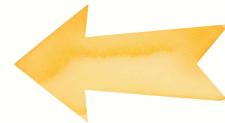

WE SHOW RESPECT BY LISTENING, AND HONORING SPACE FOR ONE ANOTHER. THIS HAPPENS IN LOTS OF WAYS!

WE RESPECT OTHERS BY TREATING THEM HOW WE WANT TO BE TREATED.

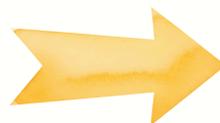

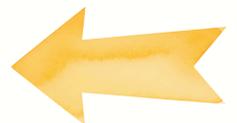

WE RESPECT OURSELVES BY ASKING THAT OTHERS TREAT US WITH KINDNESS.

WE RESPECT OTHERS BY KEEPING THEM SAFE.

WE RESPECT OURSELVES BY TAKING CARE OF OUR BODIES THROUGH HEALTHY CHOICES.

WE RESPECT OTHERS BY BEING QUIET AND LISTENING WHEN THEY ARE SPEAKING.

WE RESPECT OURSELVES BY SPEAKING UP AND MAKING OUR VOICES HEARD.

# HAND SHAKE

ONE WAY OF RESPECTING OTHERS AND OURSELVES IS BY KEEPING OUR BODIES SAFE FROM GERMS! WHEN WE WASH OUR HANDS OR WEAR MASKS TO PREVENT GERMS FROM SPREADING, WE SHOW THE PEOPLE AROUND US WE CARE! AND WE PROTECT OUR OWN BODIES FROM GETTING SICK.

## WE'RE GOING TO PLAY HANDSHAKE!

WE'RE GOING TO ALL PUT LOTION ON OUR HANDS - LOTS SO THEY'RE A LITTLE STICKY!

LET'S STAND IN OUR FRIENDSHIP CIRCLE.

ONE GIRL SCOUT IS GOING TO PLACE HER HAND IN GLITTER AND THEN SHAKE HANDS WITH THE GIRL SCOUT TO HER RIGHT. WE'RE GOING TO GO AROUND THE CIRCLE, TAKING TURNS SHAKING HANDS. LOOK AT HOW THE GLITTER IS SPREADING!

NOW IMAGINE IT'S GERMS - THAT'S A LOT OF SICKNESS THAT COULD BE SPREADING AROUND! IF ONE GIRL STOPPED AND WASHED HER HANDS, SHE WOULD STOP THE SPREAD. THIS IS HOW WE KEEP OUR FELLOW HUMANS SAFE!

REMEMBER - RESPECT  
STARTS WITH LOVING AND  
RESPECTING YOURSELF!
