COMPANY PROFILE

Kelly's Crane Hire Pty Ltd is a crane hire and transportation company based in North Queensland which was started by Gavin and Alice Kelly at the beginning of 2003.

Kelly's Crane Hire is a member of CICA (Crane Industry Council of Australia) and supports pro-active safe working environments. All cranes comply with Qld Workplace Health and Safety inspection requirements. The fleet and equipment are maintained according to manufacturer's specifications. The cranes and all lifting equipment are inspected as per WH&S requirements.

Our work extends to all parts of North Queensland. The following are some of the projects we have been involved with:

- Mobilising and Demobilising customer projects
- Multiple crane lifts
- Bridge girders for Cooktown Highway
- Dry and wet hire of cranes
- Labour hire to Rio Tinto Alcan Weipa
- Logistical support in cramage, work elevated platforms and truck hire for the Cyclone Larry clean up in Innisfail
- several bridge projects in Cook and Mareeba shires
- Maintenance and new bridge projects in the local council
- Maintenance and erection of telecommunication towers
- Power supply companies
- Extensive experience in steel erection
- Maintenance work at two local mines
- Major maintenance projects
- General maintenance and out-of-hours call outs
- Remove/place motor cruisers and yachts from the harbour and load onto transport or crane into storage in Port Douglas area
- Transporting yachts and motor cruisers
- Transporting sugar mill rollers to Bundaberg

Our company has been involved to some extent on all major building projects in the Port Douglas and Mossman areas over the last eighteen years, whether it is to supply mobile crane hire or to erect tower cranes.

Gavin has over 30 years experience in the industry and our company has been operating since 2003 and promote a pro-active safety culture.

In 2010 our company won a prestigious CICA national award for Crane Lift of the Year for a crane up to 130 tonnes at the Crane Industry Conference in Perth. The lift that won the award was for using the cranes in an innovative manner.

Another branch of our business is to supply or hire lifting equipment and to perform inspections on lifting gear.

Our phones will be answered 24/7 for call-outs. Customers who use us around the clock are Far Northern Milling, Qube, Barron River Towing and Douglas Shire Council.

Our company has remained viable at a time when the construction industry has seen some challenging times and we look forward to continued growth into the future.
