Member News

A Message to FCBC from a beloved member.

"My Doctor" Being under the care of an oncologist, cardiologist, pulmonologist and primary care physician, I find myself BLESSED with a care team that treats me like I'm their only patient. However, the one we know as "Dr. JESUS CHRIST" with his nurse "FAITH" strengthens our Belief in the One who has the power to heal all.

Prayers and Blessings,
Deacon Doyle

Usher Board Ministry
An usher serves as a spiritual ambassador, a welcoming host, and a practical organizer who maintains order and reverence during worship. The FBCB Usher Board regularly supports ushers at other churches during special afternoon services? Thank you, Sister Barbara Salley, for your steadfast direction of this ministry.

Youth Ministry

FCBC Youth For Christ
We want to enrich the experiences of our youth as they grow in faith. Donate to support these activities. They went apple picking at Outhouse Orchard on October 17. Apple pies coming!

First Lady's Corner

In November we celebrate Thanksgiving. A season where we express gratitude for the past year's blessings, family, and the harvest. I encourage you to focus your spirituals lens on gratitude as well, during this season. Some find the holidays difficult, but remember not to focus on the problems but focus instead on where your help ultimately comes from:

Philippians 4:6-7
6 Be careful for nothing; but in every thing by prayer and supplication with thanksgiving let your requests be made known unto God.
7 And the peace of God, which passeth all understanding, shall keep your hearts and minds through Christ Jesus.

Men's Day 2026
The Men's Day Breakfast was a big success. During Sunday service, Denim Harris delivered an amazing Welcome to the church. Training a child in the way he should go.

Health Corner
November 26 is National Family Health History Day, an opportune time to learn about your family's health when all are together. You can create your family health tree using a tool from the Department of Health and Human Services at https://cbiit.github.io/FHH/html/index.html. Check the vestibule display.
