

Theme Scripture: Acts 2:46-47

- This describes the vibe of a bunch of new Christians, but this is what Britt and I want this ministry to feel like.
 - Our desire is for this group and their kids to love eating together, being, praising God...

Overarching theme: In order for this to be a reality, it will involve real partnership with families. Avoiding “drop-off” ministry, rather working together minister and family instead of minister and teen.

Plans for 2026:

- **More intentionality between us and you guys, meeting throughout the year individually.**
 - Sometimes there may be specific things we want to discuss about your kids, other times we simply want to build our friendship and get to know each other better.
- **Father-Son and Mother-Daughter Bible study night (Try one for now)**
 - Guy girl split locations
 - Brittney and I will facilitate these times, but the bulk of the discussion will be between you and your kid.
 - Scripture prepped, questions being asked by both you and your kid. Questions will be able to be answered by both people, not skewed one way or the other.
 - **First one April 1 (HS) and April 3 (MS)**
- **Parent-Led MS Events (Quarterly)**

- Provide a lesson or an activity/fun time; Brittney and I can provide food/snacks when needed.
 - Feb 20 (Lesson)
 - April 17 (Fun)
 - July 24 (Lesson)
 - Oct 9 (Fun)
- **East Family Nights (Quarterly)**
 - Parents and kids/teens altogether, potluck style party
 - Brief lesson, fun competition/game
 - For both middle and high school families
 - **Point: We are the youth and family ministry and families should have fun together. Building memories, maintaining connections, enjoying fellowship together.**
