

SCHEDULE OF FEES & GENERAL PRICE LIST

These prices are effective as of October 1, 2025, but are subject to change without notice.

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

This list does not include prices for certain items you may ask us to buy for you, such as cemetery or crematory services, flowers, honorariums, newspaper notices, etc. The price for those items will be shown on our statement describing the funeral services and merchandise you selected. We may charge for our services in buying some of these items.

GENERAL PRICE LIST – SPECIAL CHARGES

These prices are effective as of October 1, 2025, but are subject to change without notice.

The following are package offerings of various types of services we are called upon to provide. If you would like to know the prices that go into making up these service offerings, refer to the schedule earlier in the general price list. That schedule breaks down all of these charges and relates them directly to our general price list of services, facilities, and transportation charges.

DIRECT CREMATION

If you want to arrange a direct cremation, you can use an alternative container. Alternative containers encase the body, and can be made of materials such as heavy fiber board or composition materials (with or without an outside covering). The alternative container we stock is made out of heavy fiber board material.

Our charge for direct cremation without any attendant rites or ceremonies includes: basic services of Funeral Director and staff, filing of necessary permits and authorizations, use of our facilities for custody of remains, first call car to transfer remains, small hearse to transfer remains to the local crematory, service / utility vehicle, and the normal crematory fee (up to 300 lbs). Prices for our services with regard to direct cremation are as follows:

WITH ALTERNATIVE CONTAINER DESCRIBED ABOVE	2,195.00
WITH ALTERNATIVE CONTAINER & MEMORIAL SERVICE AT CHAPEL OR CHURCH	2,890.00
WITH CONTAINER PROVIDED BY PURCHASER	1,870.00
WITH CASKET SELECTED FROM OUR STOCK (PLUS PRICE OF CASKET)	1,870.00

The above prices above **DO NOT INCLUDE SHIPMENT, OR HANDLING OF CREMAINS OR CREMATION URNS**. Some of these items are priced by the crematory. The purchaser may authorize us to add these fees to our charges as cash advances. The charges thus added will be the exact amounts we are charged by the crematory. The crematory nearest to our funeral home is in Waco. We will use that facility unless the purchaser directs us otherwise. For use of a crematory other than the above would entail additional transportation charges. Mileage beyond a 35 mile radius of our facility would be charged at a rate of \$3.50 per mile.

SHIPPING OF CREMAINS	Starting at 175.00
-----------------------------------	--------------------

IMMEDIATE BURIAL

Our charge for immediate burial without any attendant rites or ceremonies includes: limited services of Funeral Director and staff, filing of necessary permits and authorizations, use of our facilities for custody of remains, first call car to transfer remains, small hearse, and service / utility vehicle (within a 35 mile radius). If the choice is made for immediate burial you can use an alternative container instead of a casket. The minimum casket we offer is Shaker Pine Hardwood with Ivory Crepe interior.

There is no state or local law in our area that forces you to buy an outer burial container to surround the casket or alternative container in the grave. However, some cemeteries ask that you have such a container so that the grave will not continue to sink. Either a burial vault or grave liner will satisfy this requirement where it exists. Prices for our service with regard to immediate burial are as follows:

WITH SHAKER PINE CASKET	3,890.00
WITH CONTAINER PROVIDED BY PURCHASER	2,495.00
WITH CASKET SELECTED FROM OUR STOCK (PLUS PRICE OF CASKET)	2,495.00

ADERHOLD FUNERAL HOME OUTER BURIAL CONTAINER PRICE LIST

These prices are effective as of October 1, 2025, but are subject to change without notice.

Burial vaults also help protect the deceased and the casket or urn against the entrance of any environmental elements such as water or insects, and it protects the casket from the weight of the earth and heavy maintenance equipment that will pass over the grave.
