Catch the Beat: Summer 'Rockstar' Sessions are Here!

If you missed the Red Carpet treatment at our booth during the Nolensville Buttercup Festival, you might have missed your chance to grab one of our exclusive **Rockstar Road Map** lanyards. These VIP passes were the talk of the town, but the lanyard was just the beginning of the journey.

To celebrate the start of summer, we are reopening the vault! This year, the "Festival Special" isn't just about a QR code—it's a multi-stage pass to your musical success. By scanning our code, filling out the form, and showing off your Rockstar spirit on social media, you unlock a Free Introductory Lesson for kids, teens, and even adults!

Your Summer Stage Awaits—With Zero Waste!

We know what you're thinking: "We want to play music, but we have beach trips and summer camps planned!" At **DPV Music Lessons**, we have you covered with our **Zero-Waste Lesson Policy**.

We believe your investment in talent should never go to waste, whether you are a middle-schooler in a school band or an adult finally picking up that Bass or Piano. Our summer program is "vacation-proof":

Built-in Vacation Time: Our lesson packages come with built-in Vacation Days!

On-Demand Video Lessons: If you can't make it to your scheduled slot, your instructor will create a custom personalized video lesson. This ensures you or your child keep making progress from a hotel room or a summer house—or provides the perfect roadmap for you to hit the ground running upon your return!

High-Energy Progress: We provide **Montessori-inspired** instruction for Drums, Percussion, Voice, Guitar, Bass, Piano, and most School Band instruments. We keep the momentum moving

Step-By-Step: Claiming Your Rockstar Summer Pass
