Enjoy the little things in life ...
for one day you'll look back and realize
they were *the big things.*

Consider the *trees* and how easily they let go of the
season's bounty... How with simple *grace* and *elegance*
they share their natural **WARMTH** and *beauty.*

A vertical image showing a close-up of a wooden surface with a prominent grain pattern, likely a piece of lumber or a wooden panel. The wood has a light tan or greyish-brown color with dark, wavy grain lines running vertically. There are several knots and small holes visible in the wood. The texture appears slightly rough or weathered.

Leaf after Leaf, flower after flower,
some in the **dawn of day**, some in the *after hour*.
Alive they flourish, & the earth that sustained them,
receives them in *fall*.

A group of six people, three men and three women, are posed together outdoors. They are all smiling and looking towards the camera. The group includes a young man on the far left, a man with a beard next to him, an older man in the back center, a young man on the far right, a woman in the front center wearing a blue patterned scarf, and a woman on the far right wearing a red top. The photo is tilted and placed on a background of horizontal lines.

The best and most *beautiful*
things in the world
cannot be **seen** or even **touched**.

felt They must be
with the heart.

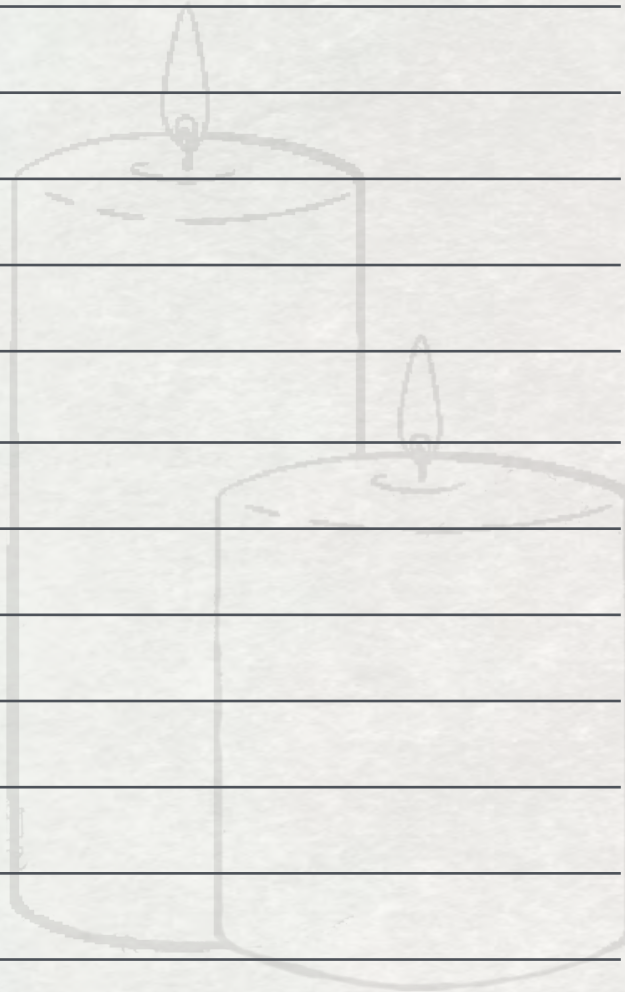

Relatives & Friends

A collection of your memories,
precious times enjoyed together;
Keepsakes of the *Heart* that
remain with us
FOREVER

Relatives & Friends

*When tomorrow starts without me,
we're not so far apart.
For every time you think of me,
I'm right here
in your heart.*

Relatives & Friends

Those we *love* remain with us for love itself lives on,
and cherished **memories** never fade because a loved one's gone...
Those we *love* can never be more than a thought apart
For as long as there is **memory**,
they'll *live on* in the *heart*.

A faint, stylized illustration of a tree with many branches and leaves, serving as a background for the lined paper. The tree is centered and its branches spread out across the top half of the page. The leaves are represented by small, dark, pointed shapes. The trunk is a simple, dark line that tapers slightly as it goes up. The overall style is minimalist and artistic.

GOODBYES

are not

forever.

Goodbyes are not

THE END.

They simply mean

I'll *miss* you...

Until we meet

AGAIN.

A faint, artistic illustration of a dandelion seed head with its seeds blowing away, set against a background of horizontal lines. The dandelion is positioned in the lower right quadrant, with its stem extending towards the bottom. The seeds are depicted as small, fluffy parachutes, some of which are already detached and floating in the air. The background consists of a series of thin, horizontal lines that create a sense of depth and movement. The overall style is minimalist and elegant, with a focus on natural elements.

A vertical image showing two wooden planks with a dark vertical line separating them, symbolizing a choice or decision.

Perhaps they are not *stars* in the *sky* but
rather OPENINGS where our loved ones
shine down to let us know they are *happy*.
