## Primary Narrative By Unknown, 02/17/09 08:14

On 02/16/2009 I dispatched to the Clerk of Courts office located at 790 North Street in reference to a report of terroristic threats. Upon arrival I met Marjorie Gaston, Gaston advised her neighbor across the street from her Jason Dickerson made accusations her dog, a miniature Schnauzer would come into his yard and relieve itself. Gaston stated "my dog is always with me, when i'm outside so it can't be her. " Gaston advised Dickerson replied "I'll get a camera and prove its your dog, or better yet I'll just shoot her and lay her in your yard." Gaston stated she replied "do that and there will

be consequences." Gaston advised Dickerson walked away throwing his hands back as to shrug her off. Gaston advised she was in fear for her and her pets life and would like the matter looked into, not knowing how Dickerson would truly act on the threat. No further action taken by this officer.
