## 2024 Carrier/Affiliate Member Dues:

**Carrier:** In order to qualify as a Carrier Member, a company must: Be an FCC spectrum licensee, or an FCC-approved lessee of spectrum, or a high bidder for a license at the close of any FCC spectrum auction, providing or with plans to provide a two-way wireless service; and together with all “affiliates”, not have more than 80 million subscribers at the time of original application to become a Carrier Member (“affiliates” are defined as all entities controlling, controlled by or under common control with the applicant).

**Affiliate:** The Affiliate Member category is comprised of those companies who operate or own an interest in a CMRS license but do not qualify as a Carrier Member. This may be because they exceed the subscriber limit in their markets, operates outside the United States or because they are a limited partner.
