

## LEVEL LIFT HOISTS LL400 - LL800

**\*Sub-frame hoists available sizes include (Please specify O.D. with order):**

=> 29 1/2" O.D. (Call for Quote)

=> 34" O.D. (See below listing for Prices)

=> 38" O.D. (Call for Quote)

| <b>Model: LL-800</b>                                       | <b>Part#</b> | <b>Price</b> |
|--|--------------|--------------|
| With standard electric pump                                | 141-307      | \$3,571      |
| With twin-motor electric pump                              | 142-179      | \$4,072      |
| With double-valve electric pump                            | 142-180      | \$3,752      |
| With gear pump & 21 quart reservoir (cable operated)       | 141-428      | \$4,184      |
| With gear pump and double valve reservoir (cable operated) | 142-165      | \$4,464      |
| With gear pump and 12 volt valve reservoir                 | 142-181      | \$4,334      |
| With gear pump and 12 volt premium valve reservoir         | 142-182      | \$4,840      |
|  |              |              |
| <b>Model: LL-700</b>                                       | <b>Part#</b> | <b>Price</b> |
| With standard electric pump                                | 141-036      | \$3,299      |
| With twin-motor electric pump                              | 142-171      | \$3,771      |
| With double-valve electric pump                            | 142-172      | \$3,495      |
| With gear pump & 21 quart reservoir (cable operated)       | 141-386      | \$3,884      |
| With gear pump and double valve reservoir (cable operated) | 142-164      | \$4,355      |
| With gear pump and 12 volt valve reservoir                 | 142-173      | \$4,027      |
| With gear pump and 12 volt premium valve reservoir         | 142-174      | \$4,534      |
|  |              |              |
| <b>Model: LL-700S (60" C.A. Subframe Model)</b>            | <b>Part#</b> | <b>Price</b> |
| With standard electric pump                                | 140-627      | \$3,809      |
| With twin-motor electric pump                              | 142-175      | \$4,315      |
| With double-valve electric pump                            | 142-176      | \$3,986      |
| With gear pump & 21 quart reservoir (cable operated)       | 140-628      | \$4,414      |
| With gear pump and double valve reservoir (cable operated) | 142-166      | \$4,687      |
| With gear pump and 12 volt valve reservoir                 | 142-177      | \$4,462      |
| With gear pump and 12 volt premium valve reservoir         | 142-178      | \$4,968      |
|  |              |              |
| <b>Model: LL-650</b>                                       | <b>Part#</b> | <b>Price</b> |
| With standard electric pump                                | 141-993      | \$3,296      |
| With twin-motor electric pump                              | 142-160      | \$3,699      |
| With double-valve electric pump                            | 142-161      | \$3,380      |
| With gear pump & 21 quart reservoir (cable operated)       | 141-353      | \$3,872      |
| With gear pump and 12 volt valve reservoir                 | 142-162      | \$4,198      |
| With gear pump and 12 volt premium valve reservoir         | 142-163      | \$4,704      |

| <b>Model: LL-650S (60" C.A. Subframe Model)</b>      | <b>Part#</b> | <b>Price</b> |
|--|--------------|--------------|
| With standard electric pump                          | 141-785      | \$3,659      |
| With twin-motor electric pump                        | 142-167      | \$4,172      |
| With double-valve electric pump                      | 142-168      | \$3,842      |
| With gear pump & 21 quart reservoir (cable operated) | 141-375      | \$4,302      |
| With gear pump and 12 volt valve reservoir           | 142-169      | \$4,380      |
| With gear pump and 12 volt premium valve reservoir   | 142-170      | \$4,886      |
|  |              |              |
| <b>Model: LL-600</b>                                 | <b>Part#</b> | <b>Price</b> |
| With standard electric pump                          | 141-426      | \$3,108      |
| With twin-motor electric pump                        | 142-156      | \$3,578      |
| With double-valve electric pump                      | 142-157      | \$3,259      |
| With gear pump & 21 quart reservoir (cable operated) | 141-342      | \$3,725      |
| With gear pump and 12 volt valve reservoir           | 142-158      | \$3,874      |
| With gear pump and 12 volt premium valve reservoir   | 142-159      | \$4,381      |
|  |              |              |
| <b>Model: LL-500</b>                                 | <b>Part#</b> | <b>Price</b> |
| With standard electric pump                          | 141-824      | \$2,816      |
| With twin-motor electric pump                        | 142-148      | \$3,318      |
| With double-valve electric pump                      | 142-149      | \$2,999      |
| With gear pump & 21 quart reservoir (cable operated) | 141-331      | \$3,438      |
| With gear pump and 12 volt valve reservoir           | 142-150      | \$3,555      |
| With gear pump and 12 volt premium valve reservoir   | 142-151      | \$4,064      |
|  |              |              |
| <b>Model: LL-500S (60" C.A. Subframe Model)</b>      | <b>Part#</b> | <b>Price</b> |
| With standard electric pump                          | 140-072      | \$3,014      |
| With twin-motor electric pump                        | 142-152      | \$3,532      |
| With double-valve electric pump                      | 142-153      | \$3,203      |
| With gear pump & 21 quart reservoir (cable operated) | 141-332      | \$3,709      |
| With gear pump and 12 volt valve reservoir           | 142-154      | \$3,809      |
| With gear pump and 12 volt premium valve reservoir   | 142-155      | \$4,315      |
|  |              |              |
| <b>Model: LL-400</b>                                 | <b>Part#</b> | <b>Price</b> |
| With standard electric pump                          | 141-425      | \$2,223      |
| With twin-motor electric pump                        | 142-140      | \$2,720      |
| With double-valve electric pump                      | 142-141      | \$2,401      |
| With gear pump & 21 quart reservoir (cable operated) | 141-199      | \$2,871      |
| With gear pump and 12 volt valve reservoir           | 142-142      | \$2,987      |
| With gear pump and 12 volt premium valve reservoir   | 142-143      | \$3,480      |

| <b>Model: LL-400S (60" C.A. Subframe Model)</b>      | <b>Part#</b> | <b>Price</b> |
|--|--------------|--------------|
| With standard electric pump                          | 141-591      | \$2,644      |
| With twin-motor electric pump                        | 142-144      | \$3,133      |
| With double-valve electric pump                      | 142-145      | \$2,803      |
| With gear pump & 21 quart reservoir (cable operated) | 141-255      | \$3,388      |
| With gear pump and 12 volt valve reservoir           | 142-146      | \$3,405      |
| With gear pump and 12 volt premium valve reservoir   | 142-147      | \$3,911      |
| <b>Miscellaneous Hoist Parts Price List</b>          | <b>Part#</b> | <b>Price</b> |
| Subframe Filler Option For Longer C.A.               | 141-987      | \$244        |
| Safety prop  | 141-787      | \$158        |
| 15' control cable with knob                          | 130-016      | \$70         |
| LEVER AIR SHIFT - SINGLE PRINCE VALVE                | 120-286      | \$432        |
| LEVER AIR SHIFT - DOUBLE PRINCE VALVE                | 120-287      | \$760        |
| TOGGLE AIR SHIFT - SINGLE PRINCE VALVE               | 120-284      | \$285        |
| TOGGLE AIR SHIFT - DOUBLE PRINCE VALVE               | 120-285      | \$566        |
| Aluminum Pump Cabinet                                | 141-046      | \$356        |
