## PLANNED GIVING WITH THE BFAIR WAY FUND

### THE BFAIR WAY FUND

#### Creating a Lasting Legacy of Care, Inclusion & Support

Donating a Planned gift to BFAIR supports our mission to Inspire Abilities and Create Limitless Possibilities for the people we support. Your Planned gift, such as cash, stock, bequest in your Will, or tangible asset such as real estate, will ensure we achieve our goal to provide outstanding services for those we serve to live the quality of life they envision now and in the future. What sets us apart is the 'BFAIR Way' which speaks to our compassion and dedication to service excellence for people with developmental/intellectual disabilities and acquired brain injuries.

Consider contributing to the BFAIR Way Fund because what better legacy can be left than to better the lives of people with disabilities through your generosity. The power of your Planned gift will have a positive impact by supporting the well-being and access to essential services for adults with developmental disabilities and their families.

### WHAT IS THE BFAIR WAY FUND?

The BFAIR Way Fund is our planned giving program, established to ensure a future where individuals with disabilities, or an acquired brain injury continue to receive compassionate, inclusive, and person-centered support. Your planned gift becomes part of a legacy—one that empowers BFAIR to grow, innovate, and support generations to come.

## WHY GIVE THROUGH PLANNED GIVING?

Planned giving allows you to make a meaningful impact without affecting your current financial security. With thoughtful planning, you can:

- Support a cause you believe in for years to come
- Create tax advantages for your estate or heirs
- Leave a legacy aligned with your values

Your gift will support essential programs such as residential care, day services, family & individual support, employment training, and more.
