BOTTLE & CAN REDEMPTION CENTER

THE BFAIR WAY:

We are a national and state accredited human service agency responsive to the unique needs of people with disabilities and their families through:

- A Dedication to Excellence
- Fiscal Responsibility
- Diverse Service Options
- Community Partnerships
- Safe and Healthy Environments
- Career Opportunities and Advancement

These are our guiding principles. We strive to be the Berkshire's premier service provider for persons with cognitive disabilities, autism and acquired brain injuries. It's in our DNA and we constantly look for new ways to be the best at serving members of our community.

About the BFAIR Bottle & Can Redemption Center

After several years of managing the BFAIR Bottle & Can Redemption Center, BFAIR acquired The Center in July 2019. BFAIR was grateful for the opportunity to continue to provide employment for individuals with disabilities while also playing an important role in north Berkshire. In 2025 we continued to expand our reach by adding a pickup service made possible by Adams Community Bank.
