FUNERAL & CREMATION CARE

MAKING THINGS SIMPLE FOR YOU IS WHAT WE DO BEST!

The Simple Alternative

Simplicity Funeral & Cremation Care is the alternative to high priced traditional funeral homes. We simplify the funeral planning process by offering funeral or cremation packages for one low price.

Serving all of Chicagoland

Simplicity Funeral & Cremation Care serves the entire Chicagoland area and beyond.

Considerable Savings

Families can save thousands, especially if you are having a church funeral. Why pay for the high overhead of a traditional funeral home when not using their building? With our plans, you only pay for the services you use, not the ones you do not.

Payment Options & Peace of Mind

For the convenience of the families we serve, we accept cash, checks, credit cards, PayPal, and verified, assignable life insurance policies. For those that pay in advance, a lifetime guarantee that this is all you will pay for our services and merchandise. 100% of the funds are placed in a guaranteed issue life insurance policy paid to the funeral home at the time of need, with interest applied to offset any prices increases resulting from inflation.

No Hidden Fee Guarantee

Funeral and Cremation costs can be very confusing. Often times other funeral & cremation providers will quote what seems like a low price, but actually they do not give you the complete costs and there will be hidden add on charges after you have chosen to utilize their services.

CREMATION OPTIONS

Over recent decades cremation is an option that has become increasingly popular and used to be thought of a lower standard option of service for your loved one. We instead have chosen to embrace any opportunity to serve your family best and profit margins do not drive our services, your family's preferences do.

We have created a variety of service and merchandise options to both simplify and tailor services to your wishes. From elegant to simple, cremation affords the formality of traditional funeral services with cost savings.

FUNERAL OPTIONS

With arranging a funeral service comes some of the most personal & critical decisions a family can make. If prearrangements are not made, it leaves a family to speculate on a loved one's preferences at a highly emotional time. We have used our experience to create many service and merchandise options from elaborate to simple and priced them as affordably as possible.

Whether you are prearranging or someone you loved has passed, and find it difficult to make decisions on your own, we think you will find these decisions considerably easier to make knowing that our expertise guided these package options.

ECO FRIENDLY OPTIONS

Green, or natural burial is a way of caring for the dead with minimal environmental impact that aids in the conservation of natural resources, reduction of carbon emissions, protection of worker health, and the restoration and/or preservation of habitat. Green burial necessitates the use of non-toxic and biodegradable materials, such as caskets, shrouds, and urns.

Flameless Cremation uses water instead of fire and is a new alternative to burial or flame cremation. The scientific name for Flameless Cremation is alkaline hydrolysis, which is essentially an accelerated form of natural decomposition. A combination of gentle water flow, temperature, and alkalinity are used to accelerate the natural course of breakdown accomplished by our eco-system at the end of life.

CONCRETE BOX **VS.** LINED, SEALED BURIAL VAULT

A concrete box is **not** the same as a burial vault.

A lined, sealed, warranted burial vault provides security for your loved one.

A concrete box:	A burial vault:
→ Has no seal or liner	✓ Has a secure seal and a polymer liner
→ Has drainage holes in the bottom	✓ Protects from exposure to outside elements
→ Does not provide a clean, dry casket space	✓ Provides a clean, dry casket space
✓ Only prevents the earth from collapsing	✓ Prevents the earth from collapsing
→ May break down over time	✓ Adds a polymer liner to concrete to prevent breakage
→ Has no warranty	✓ Includes a warranty
	✓ Includes multiple layers of protection for your loved one's casket from external elements

ABOUT US

Simplicity Funeral & Cremation Care is owned and operated by David Fisher Jr. In 2009, after a long career managing funeral homes and cemeteries for a large international funeral corporation, I decided that I wanted to start a simpler, less expensive alternative to arranging funeral and cremation services.

Simplicity Funeral and Cremation Care is proud to offer a convenient online arrangement process and practical approach to arranging funeral & cremation services. You will never be asked to come into my office to “make arrangements”. Instead, I will make arrangements in the comfort of your own home or any other location that is convenient for your family. However, if you desire to meet in a funeral home setting, we can meet at several funeral homes in the south and western suburbs.

For your peace of mind, I am fully licensed by the Illinois Department of Financial and Professional Regulation—Illinois License #034-014435. I also am a member of the Better Business Bureau, National Funeral Directors Association and the Green Burial Council.

My mission is to provide caring and compassionate service at an affordable price.

- There will never be pressure to buy anything you do not need or want and I offer a “No Hidden Fee Guarantee”.
- I will provide you with a simple, more affordable alternative to plan funerals and cremations.
- Simplicity Funeral & Cremation Care serves families throughout the Chicagoland area and the entire state of Illinois.

I want to be *very clear* that this lower cost option still includes the respectful care and professional conduct that you deserve, and will receive when it comes to honoring your loved one. These two elements have no price tag associated with them. Instead they are part of my business beliefs and commitment to your family. My goal is to create a far simpler, less expensive, and more convenient tribute to the person you loved in life.

Respectfully,

David Fisher Jr.
