## MARION COUNTY QUORUM COURT MINUTES

June 14, 2022

The Marion County Quorum Court held their monthly meeting beginning at 6 p.m.

County Judge Massey presided over the meeting. All Justices were present. Representative Jack Fortner gave the invocation and Mayor David Nixon led the pledge.

The minutes and all reports were approved.

Before moving on to regular business, Judge Massey had a few comments that he wanted to make. He stated that in January the cost of unleaded gas was \$2.5488 per gallon and diesel was \$2.6574 per gallon. As of June 9, the price of unleaded gas was \$4.4537 per gallon and the price of diesel was \$4.3783 per gallon. As of June 9, the county has spent \$181,396.34 for fuel. In 2021 the county spent \$201,536.19 in fuel. He also pointed out that in December of 2021, the cost of unleaded was \$2.13 and the cost of diesel was \$2.25. Another concern, Judge Massey had was that for all his employees, road, transfer station, E-911 etc. there was 551.45 hours of overtime, the road shop alone had 241.25 hours of overtime that has not been paid out.

County Attorney John Russo addressed the court to state he had been asked numerous times to write ordinances, he stated that his office was not responsible to write any ordinances, but was responsible for reviewing them. He suggested that the elected officials that needed help in writing ordinances should contact AAC, as they have various manuals and have the resources to help write the ordinances correctly.

Mayor David Nixon spoke on the contract with Ozark Mountain Solid Waste District. The District was asking for their hauling fee contract to be renegotiated to cover the higher gas prices. The District was offered \$2.00 more an hour to cover the cost of fuel. However, in the contract that was presented the cost went from being \$154 a ton to \$261 a ton. That contract was not approved and was sent back to the District to be reworked. Ozark Mountain Solid Waste did agree to pay \$32,000 to help over the cost of the canopy at the transfer station.

**Staffing:** We are currently staffed with 7 Full time dispatchers.

**Training:** I currently have enrolled myself and another dispatcher into the ACIC II class.

**Technical Issues:** All of our 911 trunk lines went down on 6/24/2022 at 9:15 am. We had all lines transferred to Baxter County 911. Our 911 trunk lines did not come back into Marion County until 6/30 /2022 around 3pm. We had to contact multiple people through our 911 company Solacom in order to get anything done. They never communicated with us about anything getting fixed. Our 911 was down for nearly a week.

**Operations:** We have been new changes on filing and entering after our ACIC audit this month.

I left Friday and forgot to send grant report.

The state police finally got things worked out on their end so we should see refund soon. New equipment installed and they got Sims cards for internet linkage. Officers are getting training to be certified to use equipment.

Oakland Promiseland Fire Protection District received their grant and in the packet is an ordinance for appropriations.

We have been discussing with Northwest Economic Development the wish list of American Rescue fund items. I attended Judges Conference while Judge Massey was on vacation and got some information on bidding process. I asked NWAEDD to send Judge Massey proposed contract for them to handle our projects.

If you have questions just text me or send me an email.

Thanks,

Karen

**Ordinance No. 2022- \_\_\_\_\_**

***Be It Enacted By the Quorum Court of Marion County, State of Arkansas:***

**An Ordinance to Establish a County General Sub-Fund to be called the ARPA Revenue Replacement Fund; and to Declare an Emergency.**

**Article 1. Affirmation.** It comes before this Court that there is a need to establish a County General sub-fund on the books of the county to track the revenue replacement funds taken from the ARPA Fund #3046 either calculated annually according to the formula articulated in the final rule or from the election of a standard allowance allowed by the final rule. It is also affirmed that the expenditures and/or appropriated transfers of federal assistance through the ARPA Fund. This Court recognizes and affirms the need for such a fund to properly account for and control all such revenues allowed and expenditures made with replacement revenue in compliance with the Coronavirus State and Local Fiscal Recovery Funds Final Rule from the U.S. Treasury.

**Article 2. Establishment of Fund.** There is hereby created on the books of the Marion County Treasurer and the books of the Marion County Clerk or Comptroller a County General sub-fund to be known as the ARPA Revenue Replacement Fund with a fund number of **1006** as assigned by Arkansas Legislative Audit. Any revenue or transfer codes; office/department codes; and expenditure codes are to be assigned locally using the County Financial Management System per the direction of Arkansas Legislative Audit.

**Article 3. Operation of Fund.** The ARPA Revenue Replacement Fund is subject to all the normal county budgeting, appropriation and expenditure regulations of Title 14 of Arkansas Code Annotated and the County Financial Management System. Funds transferred to the ARPA Replacement Revenue Fund as "county revenue loss" may be used generally for government services traditionally provided by county government to include, but not limited to: construction and maintenance of roads and bridges; other infrastructure projects; provision of public safety; purchase of government vehicles and equipment; and county administrative costs. Revenue replacement funds cannot be used to make an extraordinary contribution to a pension fund; for debt service; for replenishing county financial reserves; for settlements or judgments or for a project that conflicts with or contravenes the purpose of the American Rescue Plan Act. Proper records and documentation must be maintained on the use of these funds for federal audit purposes.

**Article 4. Emergency Clause.** It is found by this Court that the transfer of revenue loss dollars from the American Rescue Plan Fund to the ARPA Replacement Revenue Fund for general county government services is imminent making it necessary to establish the ARPA Revenue Replacement Fund in order to be able to properly track the revenue, appropriated expenditures and/or appropriated transfers.

Therefore, an emergency is declared to exist and this ordinance shall be in full force and effect from the date of passage and approval.
