

MARION COUNTY QUORUM COURT MINUTES \$4 2023

~~April~~
May 11, 2023

DAWN MOFFET
Marion County Clerk
D.C.

The Marion County Quorum Court held their monthly meeting beginning at 6 p.m. on May 9, 2023.

Judge Stumph presided over the meeting and all Justices were present. Flippin Mayor Heith Hogan gave the invocation and Justice White led the Pledge.

All reports were read and accepted. During the E-911 report Justice Scrima requested a further breakdown of calls on the report. Cassie Foster explained that the two systems ACIC/NCIC and CAD have separate software and are unable to communicate with each other. During the Law Enforcement report, Sheriff Alexander told the court that the medical provider contract would be ending on March 15, 2023 due to having several lawsuits filed against this company. Sheriff Alexander reported that they were diligently looking for a provider. When asked how much the county was paying the current provider, Alexander replied \$2400 per month. Alexander continued by stating that he would be coming before the court to request funds to upgrade the software for the detention center and the law enforcement center. The upgrade will cost \$45,000 one-time fee, and then \$5000 per year for maintenance for the detention center. It was reported that when requesting a quote on the upgrade it was discovered that the bill for the RPS had not been paid since December of 2018. This leaves \$27,000 owed to the company. Chief Deputy Mark Hollingsworth has worked with this company and has an agreement that the company will forgive the \$27,000 if we agree to the \$4500 per year for the law enforcement side. Justice Brigham asked how many state inmates were being held. Sheriff Alexander replied zero, we do not have enough workers.

A motion to read the ordinances by title only was made by Justice Hutching and seconded by Justice Shipman. The motion failed with Justices Nickels, Hutching, Shipman, and McCalla voting in favor of the motion and Justices Scrima, Vancuren, White, Reed and Brigham voting against the motion.

Ordinance 2023-53 – Treasurer's Automation Fund – Sponsored by Justices McCalla, Nickels, Hutching, Reed and White. This ordinance transfers \$3200.00 from the Treasurer's Automation fund to the Computer Software line items. The

motion to adopt was made by Justice Vancuren and seconded by Justice White. The motion passed unanimously.

Ordinance 2023-53 – E-911 – Sponsored by Justice McCalla, Reed, White, and Nickels. This ordinance is supposed to appropriate \$288,914.91 into fund 1006-0501 ARPA Revenue Replacement Fund E-911 for the purpose of paying the second half on the bill for the new equipment. This ordinance states that these monies were not transferred from the 2022 budget into the 2023 budget. The motion to adopt was made by Justice Reed and seconded by Justice McCalla. During the discussion Justice White commented that the problems with the budget were being corrected. Justice Vancuren stated that this was not on the floor right now was it was sent to the budget committee and was technically not on the agenda because the committee met after the deadline to get this ordinance in the packet. He continued by stating that the court was not even following their own rules by discussing this. Judge Stumph agreed. Justice Vancuren stated that the ordinance has to have three sponsors if the ordinance comes in following the deadline. Justice Reed commented that the budget committee agreed to sponsor this ordinance. Justice Vancuren offered that the recently passed Procedural Ordinance may need to be reviewed. He continued that the intent of going to the budget meeting was to be able to put ordinances in front of the court. He stated that there was ample time to get a sponsor. Justice McCalla stated that these monies were appropriated and that the county must pay the bill or face being sued. Justice Brigham stated that there was no sponsor so it must go back to the committee. Justice Vancuren continued that this ordinance was placed on the agenda before it went before the committee and he thinks that when the committee doesn't want to make the hard choices it gets sent to the full Court for them to make the hard choices. Justice Vancuren made the motion to "suspend our own rules and allow this ordinance to be voted on." Justice McCalla seconded it. Justice Scrima asked if this motion would cover just this ordinance or all of them. Justice Vancuren stated that if this motion passed, there would be a motion to do the rest of them the same way. The motion failed with Justices Nickels, Reed, Hutching, Shipman and McCalla voting in favor and Justices Scrima, Vancuren, White and Brigham voting against it. Justice Vancuren stated that perhaps the company would wipe out this bill if they waited five years. Justice Vancuren stated that the ordinances should be emailed to the Justices asking for sponsors. (Clerk's note: The budget meeting was held after the packets were mailed out.)

The other ordinances which were placed on the agenda prior to the budget committee meeting were:

Ordinance – Road Department – Clerical Error

Ordinance – Bull Shoals Library – ARPA Request
Ordinance – Lakeway Fire Department – ARPA Request
Ordinance – Heritage Society – ARPA Request
Ordinance – Fire Departments – Appropriation
Ordinance – Judge’s Office – On-line Payments

Ordinance 2023-54 – Collector’s Office – Automation Fund – Sponsored by Justice Reed. This ordinance amends the fund number for the Chief Deputy to be paid out of the Collector’s Automation Fund. The motion to adopt was made by Justice White and seconded by Justice McCalla. The motion passed unanimously.

Ordinance 2023-55 - Sales Tax Distribution – Sponsored by Justice Scrima. This ordinance amends Ordinance 2021-112 to define what a rural fire department is for the purpose of the distribution of sales tax. This definition was not in any previous ordinance. It is now defined as “those departments in the unincorporated areas of Marion County, Arkansas which do not have a full-time organized fire department.” County Attorney Russo commented that this definition was needed as there was a check issued to one of the city’s fire departments that shouldn’t have been issued and that city was refusing to return the money as the previous ordinance did not define which fire departments were supposed to get the money. The motion to adopt was made by Justice Vancuren and seconded by Justice Scrima. The motion passed unanimously.

Attorney Russo went on to explain that when a previous ordinance is being amended the ordinance may be read by title only with two-thirds vote of the Quorum Court. The amended ordinance must show the original portion of the ordinance being amended and the amended portion. He also stated that we must pay attention to our own rules and state law.

Resolution 2023-4 – Transfer Station – Letter of Credit – Sponsored by Justices McCalla, White, Nickels, and Reed. This resolution allows for the County Judge to submit an application of formal request to First Service Bank for the purpose of satisfying the requirements of an Irrevocable Standby Letter of Credit in the amount of \$5,500 to guarantee the Arkansas Department of Energy and Environment that Marion County will be responsible for \$5,500 of the cleanup of the Solid Waste/Transfer Station in the event that it is closed or abandoned. The motion to ratify was made by Justice Vancuren and seconded by Justice McCalla. The motion passed unanimously.

Resolution 2023-5 – Clerk’s Office – Grant – Sponsored by Justices McCalla, Reed, White and Scrima. This resolution will allow the County Judge to apply for a grant from the Association of Arkansas Counties in the about of \$114,736.97 for the purpose of creating a digital data base of land records spanning 60 years. The motion to adopt was made by Justice Vancuren and seconded by Justice McCalla. The motion passed unanimously.

Judge Stumph appointed Norm Erickson and Heith Hogan to the Marion County Regional Airport Board.

Judge Stumph asked for a ratification on two appointees to the Marion County Library Board of Directors. Carol Harris and Peggy Pentkowski were both ratified unanimously.

OEM Director Jim Kuckenbecker, Sheriff Alexander and Judge Stumph presented 911 Communicator James Colverd with a plaque recognizing him for his calm, professional demeanor during a difficult E-911 call.

The meeting was adjourned.
