MARION COUNTY QUORUM COURT MINUTES

May 11, 2021

Dawn Moffet
Marion County Clerk

D.C.

The Marion County Quorum Court held its regular meeting, on May 11, 2021 at 6 p.m., at the Marion County Courthouse.

County Judge presided over the meeting. All Justices were present.

Justice Shipman gave the invocation and Justice McCalla led the pledge.

The minutes and all reports were approved.

Unfinished business:

Ordinance 21-29 – Amending Ordinance 2012-17 – Second Reading – Sponsored by Justices Scrima, Shipman, Madden and White. This ordinance will amend the Standards and Regulation for the Development and Subdivision of Land. To motion to approve the second reading was made by Justice Scrima and seconded by Justice Vancuren. The motion passed unanimously.

New business:

Judge Massey asked County Attorney Sam Pasting to give a report on the Ozark Mountain Solid Waste case. Pasting announced that there had been a hearing in Little Rock on May 10. The monies collected in the amount of \$2.4 million are being held by the receiver. The question is when this money is going to be returned to the tax payers. The Judge in Little Rock has stated that this money will not be returned unless the Supreme Courts states that it should be done. The Judge has 15 days to make a decision on how to proceed. Then there will probably be another trial and that decision will most likely be appealed.

Judge Massey announced that he notified the residents of Pine Hollow Road that this was not a closed private road, but actually MC 175. Also it was announced that Thousand Oaks is now MC 6012.

Discussion of the 2019 Legislative Audit was next on the agenda. The Judge's office was written up regarding the fixed asset records that were not properly maintained. Judge Massey stated that his office was working very hard on remedying this situation.

The next item was the discussion of the Sheriff's audit. His office was written up for the Commissary bank account not being identified, not handing over the funds

to the treasurer in a timely manner, and notes regarding the deposits into the Commissary Account. Justice Scrima asked the Sheriff what the plan was to do something with the system to address the issue of the collection of fines and fees. Sheriff Evans stated that he would get together with the prosecutor and see what they could come up with to solve this problem. Justice White stated that there is a state law that specifically says that the law enforcement funds must be turned over to the treasurer in a timely manner. The Sheriff said that the lack of manpower was making it difficult to get everything done on time. He also announced that Joan Vickers was volunteering her time to assist with the accounting duties. Justice Brigham pointed out that these were the same problems from years past. Especially on the Commissary account. Sheriff Evans said that they were having an issue with their Commissary vendor regarding the accounting and were having a difficult time getting it resolved. Sheriff Evans continued by saying that Sam Pasting had drafted a letter to the vendor in order to get this matter behind them. He continued by stating that when it was resolved, then he would be searching for another vendor.

Judge Massey said that he had met with the representative from Apprentice and they were going to help the county to set up electronic time sheets. And that electronic time clocks would be placed in each office. He also asked the Quorum Court to consider swapping banks as they have been having issues with the current one. Also, he continued that direct deposit would also be looked into. He announced that the comptroller would be getting a new program called Beagle to assist in the reporting aspect of Apprentice.

Ordinance 2021-31 – Clerk's Office – Lifting Hiring Freeze – Sponsored by the Personnel Committee. This ordinance lifts the hiring freeze in the Clerk's office in order to hire two deputies to replace two employees who are retiring on June 30, 2021. It also amends the Number and Compensation portion of Ordinance 2021-4, to reflect the changes of this ordinance and the ordinance regarding the comptroller. The motion to adopt was made by Justice McCalla and seconded by Justice White. The motion passed with Justice Vancuren voting against it.

Ordinance 2021-32 – Treasurer's Office – Transfer of Treasurer's Commission – Sponsored by Justice McCalla. This ordinance appropriates \$163,378.43 from the Treasurer's Commission into the various funds that are entitled to the reimbursement. The motion to adopt was made by Justice McCalla and seconded by Justice Scrima. The motion passed unanimously.

Ordinance 2021-33 – Administration of Justice Fund – Sponsored by Justice Scrima. This ordinance transfer \$1617.14 from fund 6009 – Administration of

Justice to fund 3035 County Administration of Justice - Law Library. The motion to adopt was made by Justice McCalla and seconded by Justice White. The motion passed unanimously.

Ordinance 2021-34 – Personnel Policy – Amendments – Sponsored by the Personnel Committee. This ordinance amends Ordinance 2018-4 The Personnel Policy. These amendments addresses children in the workplace and the used of County vehicles. No child or children under the age of 18 will be allowed in the workplace on a regular basis unless the elected official is notified, who then in turn notifies the County Judge. The Judge will determine if the child or children will be allowed in the workplace. No vehicle owned by Marion County will be allowed to transport a non-Marion County employee for a non-Marion County government benefit for a non emergency event. This does not prohibit law enforcement from doing their day to day activities. The motion to adopt was made by Justice McCalla and seconded by Justice Scrima. The motion passed unanimously.

Ordinance 2021-35 – Collector's Office – Refund to Well's Fargo – Sponsored by Justice McCalla. This ordinance was to refund \$1290.59 back to Wells fargo Real Estate Tax Service. The motion to adopt was made by Justice Nickels and seconded by Justice McCalla. During discussion, Justice Brigham had a question for the Collector, concerning why this refund needed to be made. With the absence of Collector Cathy Brightwell, Justice Vancuren motioned to table the ordinance until the June meeting. Justice Brigham seconded that motion and it passed unanimously by voice vote.

Ordinance 2021-36 – Various Offices – Postage Distribution – Sponsored by Justice McCalla. This ordinance transfers the amount of postage used by the courthouse offices and committees back to the Collector. The motion to adopt was made by Justice McCalla and seconded by Justice White. The motion passed unanimously.

Ordinance 2021-37 – Amending Ordinance 2016-12 – Sponsored by Justices Scrima, White and Brigham. This ordinance updates the vehicle emblem policy, and the requirements of the asset numbers and their placement, and requires the identification number of the employee to which the property is assigned. The motion to adopt was made by Justice Madden and seconded by Justice Scrima. The motion passed unanimously.

Ordinance 2021-38 – Sheriff's Department – Vehicle Purchases – Sponsored by Justices McCalla, Madden and Shipman. This ordinance allows for the Sheriff's Department to purchase three Dodge Ram 1500 Crew Cab 4x4 trucks for the cost

of \$92877.00. This money will be transferred from the 1005 Coronavirus Relief Fund to the 1800 Sales Tax Law Enforcement. During discussion, the Sheriff was asked for a plan for the department to be able to purchase their own vehicles without assistance from other funds. Sheriff Evans stated that he was working on a system that would use the Commissary funds for such a venture. The motion to adopt was made by Justice Madden and seconded by Justice Underwood. The motion passed unanimously.

Ordinance 2021-39 – Clerk's Office – Compensation Time – Sponsored by Justices White, Nickels and Madden. This ordinance was created in order for the Clerk to pay one her deputies her compensation time in cash. The time was earned during early voting during the primary election. Money needed to be moved from the full time line item into the overtime line item. The motion to adopt was made by Justice Underwood and seconded by Justice Shipman. During the discussion Justice Brigham pointed out that Personnel Policy is clear that compensation time must be used by March 31 if the time is carried over from the previous year. Judge Massey commented that the time sheets he received from the comptroller, did not match the time sheets he received from the employee in question. Clerk Dawn Moffet responded that the compensation time was earned during early voting for the primary election in 2020 and notations to that effect were on the employee's copy of the time sheet. Judge Massey also pointed out that the fund numbers did not match on all the time sheets. Clerk Moffet, explained that the employee was paid out of different funds in order to save the County General fund money during the budget crisis. The motion failed by unanimous vote.

Ordinance 2021-40 – Road Department – Transfers – Sponsored by Justices Scrima, White and Brigham. This ordinance transfers the money from the Small Equipment line item (2000-0200-2002) to the Capital Outlay line item (2000-0200-4004), for the purchase of a Bush Whacker and a Rock Breaker. The motion to adopt was made by Justice McCalla and seconded by Justice White. The motion passed unanimously.

Ordinance 2021-41 – Sheriff's Office – Grant – Sponsored by Justices Nickels, Madden and Shipman. This ordinance appropriates \$2,550.00 from the Local Law Enforcement Block Grant (Sheriff) into the funds small equipment line item. The motion to adopt was made by Justice McCalla and seconded by Justice White. The motion passed unanimously.

Ordinance 2021-42 - Judge's Office – Capital Outlay Line Items – Sponsored by Justices Scrima, White and Brigham. This ordinance appropriates \$8500.00 from County General (1000) to the Judge's office line items for the expenditures of the

Comptroller's office. The motion to adopt was made by Justice Vancuren and seconded by Justice White. The motion passed unanimously.

Judge Massey asked for and received the ratification of David Humphrey and Tyler Garrison to the Rea Valley Fire Protection District.

The meeting was adjourned.

Marion County Ordinance No. 2021- 49

Be It Ordained By the Quorum Court of Marion County, State of Arkansas:

An Ordinance to Establish a Special Fund to be Called the American Rescue Plan Fund; and to Declare an Emergency

Article 1. Affirmation. It comes before this Court that there is a need to establish a special revenue fund on the books of the county to track the revenues, expenditures and/or appropriated transfers of federal assistance through the American Rescue Plan Act. This Court recognizes and affirms the need for such a fund to properly account for and control all such revenues received and expenditures made in compliance with all applicable laws and guidance from the U. S. Treasury.

Article 2. Establishment of Fund. There is hereby created on the books of the Marion County Treasurer and the books of the Marion County Comptroller a special revenue fund to be known as the American Rescue Plan Fund with a fund number 3046 as assigned by Arkansas Legislative Audit. The revenue Code for federal assistance through the ARP Act, as assigned by Legislative Audit, is 7112 – Federal Coronavirus Relief.

Article 3. Operation of Fund. The American Rescue Plan Fund is subject to all the normal county budgeting, appropriation and expenditure regulations of Arkansas Code Annotated, Title 14 and the County Financial Management System implemented in accordance with §14-21-101. Funds must be used only in accordance with guidelines issued by the U.S. Treasury concerning the legal expenditures of revenues received pursuant to the American Rescue Plan Act of 2021 (P.L. 11-2), which established the Federal Coronavirus State and Federal and Local Fiscal Recovery Fund. Proper records and documentation must be maintained for federal audit purposes.

Article 4. Emergency Clause. It is found by this Court that the deposit of federal assistance funds from the American Rescue Plan Act are imminent making it necessary to establish the American Plan Fund in order to be able to properly track the revenue, appropriated expenditures and/or appropriated transfers. Therefore, an emergency is declared to exist and this ordinance shall be in full force and effect from the date of passage and approval.
