MARION COUNTY QUORUM COURT MINUTES

September 14, 2021

The Marion County Quorum Court held its regular meeting, on September 14, 2021 at 6 p.m., at the Marion County Courthouse.

County Judge Massey presided over the meeting. All Justices were present.

Justice Shipman gave the invocation and Judge Massey led the pledge.

The minutes and all reports were approved. During the Law Enforcement reports, Justice Scrima, asked Sheriff Evans, if there was an update on the fine collection software. Sheriff Evans replied that the software, Criminal Collections had been installed and that date entry had begun. Justice Scrima asked that when the program was working that an additional report be added to track the collection of fines using this program.

Unfinished business:

Ordinance 2021-58 – Rasico Refund for Building Permit – Sponsored by Justice Scrima. This ordinance was to be able to refund of \$100 to Doris Rasico. Ms. Rasico had purchased the permit on June 3, 2021 but there determined that she was not going to move to Marion County. Justice Scrima pointed out that in the past money has been refunded. Justice Brigham stated that the problem she saw was that sometimes the money was returned and sometimes it wasn't, she thought that an ordinance needed to be in place so that it was clear what should be done in each situation. Assessor Tonya Eppes commented that sometimes she would need to make a refund if it was the fault of her office that the error had been made. The motion to adopt was made by Justice Madden and seconded by Justice Scrima. The motion failed. Justices Scrima, Vancuren, Madden, Shipman and McCalla voted for the motion, while Justices Nickels, White, Underwood and Brigham voted against it.

Ordinance 2021-63 – Legal Fees – Sponsored by Justices Brigham, Vancuren, White and Scrima. This ordinance was to move \$12,000 from the Deputy Prosecuting Attorney's office into the Legal Services line item in the Quorum Court's budget. Justice Vancuren commented that the need for this ordinance is due to the no confidence that the Court has in David Etheridge. Justice Brigham mentioned that at the last personnel committee meeting Mr. Etheridge had agreed to represent the county in any legal affairs. During the course of the meeting he was asked to look into the matter before the committee regarding lunch breaks and

breaks for the county employees. He said that he would. However, Justice Brigham commented that he had not yet responded to anyone. Justice McCalla stated that he had contacted her via email and that she would forward the email to the rest of the Court. An individual in the audience questioned how much money this was going to cost the county. Justice Vancuren stated that he had been in contact with an attorney who said that they would do it for the same amount of money as Sam Pasting did. The motion to adopt was made by Justice Vancuren and seconded by Justice White. The motion failed with Justice Scrima, Vancuren and Brigham voting in favor and Justices Nickels, White, Underwood, Madden, Shipman and McCalla voting against it.

New business:

Resolutions 2021-7 through 2021-11. These resolutions were needed for the county to be able to apply for a federal grant on behalf of Vexis boats for their expansion – All sponsored by Justice White.

Resolution 2021-7 – Establishing an antidisplacement place for Marion County, Arkansas, in compliance with AEDC (Arkansas Economic Development Commission) grant programs. It was later determined that he actually resides in the city limits of Yellville. The ordinance that was sent out in the packets stated that he lived in the City of Summit. The motion to amend was made by Justice Vancuren and seconded by Justice Underwood. The motion passed unanimously. The motion to adopt was made by Justice Nickels and seconded by Justice Vancuren. The motion passed unanimously.

Ordinance 2021-82 – Catastrophic Illness Policy - Sponsored by Justice McCalla. This ordinance would have allowed county employees to offer their unused, accrued vacation or sick time to another county employee who, due to a catastrophic illness, has exhausted all their leave time. Justice Brigham commented that during the last Budget and Personnel meeting, it was determined that this policy could actually cost the county money. Tonya Eppes pointed out that once an employee has reached the maximum of sick time they can accrue (240 hours), if it is not used then the next month's installment just disappears rather than going into a "bank" for someone else to use. She continued by stating that this policy wouldn't be used very often, as only three employees would have benefited from it in the past five years. Justice Brigham stated that she thought it was a wonderful thing to have but didn't think the court was ready to proceed at this time. The motion to adopt was made by Justice Underwood and seconded by Justice Madden. The motion failed. All Justices voted against it.

Ordinance 2021-83 – Removing Line Item from Quorum Court's Budget for Legal Services – Sponsored by the Personnel Committee. This ordinance would remove the Legal services line item from the Quorum Court's budget. Justice White stated that with no contract with Sam Pasting and no ordinance to hire him, there was no longer a need to pay for his services, as the Prosecuting attorney, David Ethredge has agreed to have his office represent the county. It was pointed out by Comptroller Susann Crespino, that a line item cannot actually be deleted until there has been two years with no activity. Justice White motioned to zero out the line item. Justice White withdrew his motion, when Justice Vancuren motioned to table this ordinance until the next meeting. Justice Scrima seconded the motion. The motion passed with Justice White voting against it.

Ordinance 2021-84 – Election Commission – Sponsored by Justices McCalla and White. This ordinance simply moves \$1700.00 from the Other Services category into the Personnel Services category. This covers the shortage created by the commission having more meetings than what was budgeted for. The motion to

adopt was made by Justice Madden and seconded by Justice McCalla. The motion passed unanimously.

Ordinance 2021-85 – Treasurer’s Overtime Line Item – Sponsored by Justice McCalla. This ordinance fixes the shortage in the overtime line item in the Treasurer’s budget in the amount of \$14.36. The motion to adopt was made by Justice Nickels and seconded by Justice McCalla. The motion passed unanimously.

Ordinance 2021-86 – Sheriff’s Office – Overtime – Sponsored by Justices Brigham, Madden and White. This ordinance appropriates addition money into the overtime line item to cover all the shifts until the end of the year. This ordinance transfers \$30100.00 from the County Buildings Improvement Fund (3403) into Annex Other Professional Services for the purpose of Asbestos Abatement and new floor covering in the Annex. The motion to adopt was made by Justice Vancuren and seconded by Justice Nickels. The motion passed unanimously.

Ordinance 2021-88 – Assessor’s Office – Building Permits – Sponsored by Justices Brigham, Vancuren and McCalla. This ordinance transfers \$3500.00 from County General into the MC Development Permits line item to pay the building inspector for his services. The motion to adopt was made by Justice Vancuren and seconded by Justice Madden. The motion passed unanimously.

Training: I have assigned Dispatcher Brittney Dalton as the department trainer. She is working one-on-one with our new hires, to ensure that the essential fundamentals are instilled and making sure we meet all standards requirements.

Staffing: We are currently staffed with 6 full time and 0 part time staff. This leaves us down 2 full time and 2 part time. We are actively recruiting and interviewing potential new hires.

Technical Issues: There were no major technical issues for the month of September. I did however, have some minor issues with the Lee Mountain tower location. We lost radio service 3 times in a day, and had to reset the Motorola terminal with each occurrence. I then made contact with Arkansas Valley Communications, who then did some trouble shooting on their end. Since then, we have had no further issues.

Operations: Our daily operations are starting to get back to normal. We are focusing on training the new hires, organizing and updating our information files, and staff scheduling.

Interlocal Law Enforcement Committee Meeting Minutes

An Interlocal Meeting was held on January 21st, 2021. Committee members present were Judge John Massey, County & Circuit Clerk Dawn Moffett, Justice of the Peace Rick White, Justice of the Peace Mike Scrima, Mayor Shawn Lane, City Clerk Melissa Dorsey, Councilman Ken Rigmaiden, and Sheriff Clinton Evans.

Judge Massey opened the meeting by reviewing the Interlocal Contract. Judge Massey stated that the sheriff's office was creating a financial crisis for the county. Judge Massey advised that he had ledger printouts of all bills pertaining to the metro. Judge Massey had questions about some of the expenses and personnel and wanted to make sure that the city and the county both were being billed or paying accordingly. Mayor Lane advised that in 1997 the city started sending the county checks and has continued to do so each month to cover the metro officer's payroll and expenses. Mayor Lane stated that he receives a monthly ledger from the county treasurer to make sure that there is always money in the county account. Mayor Lane advised that the city doesn't pay the bills for Metro expenses. The city just sends a monthly payment to the county and purchases a new vehicle every 3 years. Mayor Lane provided City records for everyone on the payment of the monthly fees and provided copies of the titles to all the vehicles that the city has purchased for the metro department. There was then discussion on the contract between the City of Yellville and the City of Summit. Judge Massey stated that he would like to have the City of Summit included in the inter local agreement that the City of Yellville has with Marion County. Justice of the Peace White stated the agreement should say Yellville – Summit Interlocal Agreement. Mayor Lane advised that the funds from the City of Summit were to help offset the cost of the School Resource Officer, and to help with metro expenses. Justice White stated that the sheriff should determine the service area of the officers. Sheriff Evans responded that he has a working relationship with all the police chiefs in the area and can use their officers in the county in the event of an emergency. Judge Massey then stated that there will be Interlocal meetings on the 3rd Tuesday of March and September. Discussion then returned to the agreement between the City of Yellville and the City of Summit. Judge Massey stated that he would like to have a copy of this agreement and felt like the cities had gone behind his back. Mayor Lane stated that it has never been his intention to go behind anyone's back. Councilman Rigmaiden stated that as far as the Yellville City Council was concerned, they support Mayor Lanes decisions. Mayor Lane then made a proposal to the Judge Massey to ease some of the counties' financial problems. Mayor Lane offered to give the county all the fine money the city has collected in exchange the county would take over all the court duties from the city. No changes were made to the Interlocal Agreement. Meeting adjourned.

Interlocal Law Enforcement Committee Meeting Minutes

An Interlocal meeting was held on September 22, 2021 at 5:30 p.m. at the Courthouse Annex. Committee members present were Justice of the Peace Rick White, County Judge John Massey, Yellville Mayor Shawn Lane, City Clerk Melissa Dorsey, Sheriff Clinton Evans, Administrative Assistant Karen Carter, and County Clerk Dawn Moffet.

Judge Massey opened the meeting by stating that the purpose for this meeting was to be in compliance with the Interlocal agreement. He continued by stating that he had no issues.

Justice White stated that all of the Justices he had been in touch with liked that contract. However, he would like the contract to be a Yellville-Summit contract. He continued by saying that the city cannot contract a county employee to another city. Justice White stated that he would like to see the contracts combined. Judge Massey said that according to the attorneys he had spoken with, that if the Mayor has a contract with the county then he can contract out. Mayor Lane went on to say that Summit hadn't been paying for a very long time and that Yellville was carrying the load for a long time. Justice White said that there was a year long period to think about it and make decisions. Mayor Lane suggested that the contract be redrafted.

The meeting adjourned at 5:40
