MARION COUNTY QUORUM COURT MINUTES

January 10, 2023

The Marion County Quorum Court held their monthly meeting beginning at 6 p.m.

Judge Stumph presided over the meeting and all Justices were present. Justice Hutching gave the invocation and Justice Reed led the pledge.

All reports were read and accepted. During the Treasurer's Report, Treasurer Susann Crespino stated that she did not have any confidence in the numbers that her reports were generating and that she had a call into the software company for assistance in this matter. The Law Enforcement report was made vocally by Sheriff Gregg Alexander. He stated that the old vehicles were in the process of being stripped by the 309 inmates. He continued to state that he anticipated that sometime in February those vehicles would be disposed of. Justice Scrima stated that he has asked several times for a report that showed which vehicles were assigned to which officer. He also requested an updated report of the current inventory for the Sheriff's office. There was no vote on the library report as no one representing the library was in attendance. Sandy Evans, secretary to the Fire Board, announced that the towers were up and they were waiting for the licenses, and hope to have the tower up and running by February.

Justice Vancuren made the motion to read the ordinance by title only. Justice Nicekls seconded the motion and the motion passed unanimously.

Judge Stumph had requested that a procedural ordinance that he prepared be placed on the agenda for this meeting. He did not have any sponsored for said ordinance. Justice Hutching agreed to sponsor the ordinance, but the current procedural ordinance states that after the packets are sent out, three Justices must sponsor an ordinance in order for it to be placed on the agenda. Therefore, this ordinance was not presented.

Ordinance 2023-1 – Procedural Ordinance – Sponsored by Justices Vancuren, Brigham, White, and Scrima. This ordinance outlines the Procedural guidelines for the Quorum Court for each meeting. The motion to adopt was made by Justice Vancuren and seconded by Justice Brigham. During the discussion, Justice Scrima suggested that the court go through this ordinance carefully to make sure everyone understood what the proper procedures were. Judge Stumph, in the ordinance he had presented had requested a change in the time and date of the regular meeting. He stated that he had gotten some feedback from citizens that changing the meeting time to 4 p.m. was beneficial to some people so that they did not have to

go home and come back at 5:30. Justices McCalla, Scrima, and Brigham all stated that they had spoken to some of their constituents and overwhelmingly they wanted the time and date to remain the same. Justice Hutching offered that the Librarian had stated that someone would be there to give the report if the meeting was during the day. Another point of discussion was that if the elected official cannot attend a meeting and has an ordinance before the court, the proposed ordinance would be tabled until the next meeting. Also, addressed was that the public has the opportunity to voice their opinion of any ordinance before the court as a whole votes on said ordinance. However, their Justice must be a sponsor to the ordinance and the person requesting the time to address the court must be on the agenda. Clerk Dawn Moffet asked if this ordinance can be amended. She would like to see that there be a deadline as to when reports and ordinances can be placed on the agenda. She will present an ordinance to the procedural committee at their next meeting to reflect this change. The motion to adopt passed unanimously.

Linda McKeon representing the Oakland Community was advised to make an appointment with Sheriff Alexander and if necessary ask to be placed on the February agenda.

Justice White was nominated by Justice Scrima to be the delegate to the Arkansas Association of Quorum Courts. Justice Brigham seconded and the motion passed unanimously. *(Clerk's note: Wednesday, January 11, 2023. Justice White contacted the Clerk and stated that Justice Hutching would like to be the delegate. Justice White stated that he thought that a newly elected Justice would benefit more from this meeting. He also stated that he would be contact the other Justices to let them know of this change.)*

During the announcements Judge Stumph released his committee assignments as follows:

Law Enforcement Committee Meeting

January 19, 2023

The first Law Enforcement Committee meeting was held in the Annex and began at 5pm. Members of the committee attending were Justice John Reed and Justice Joyce McCalla. Justice Marty Nickels was unable to attend.

The first order of business was selecting the chairman and secretary. The chairman is Justice McCalla and the secretary is Justice Nickels. In Justice Nickels absence, Justice McCalla is providing the minutes for the meeting.

The meeting was taped by Robert Lyons, VA Representative for the county as the normal tape recorder was not charged.

Next, five citizens from the Oakland Community, Mike & Linda McKeon, Mike & Misty Treat and Justice Mike Scrima, addressed the committee with concerns regarding the increase in crime in their community. They have talked with Sheriff Alexander and hopefully this can be remedied. The community has set up a Neighborhood

Watch program along with encouraging residents to lock up buildings and houses, record serial numbers and install security or game cameras. They wanted to announce and invite everyone to their Valentine's Dinner to be held on February 11th at the community center. The menu will include spaghetti with traditional sauce and spaghetti alfredo. Time is 5pm-7pm.

Next, Sheriff Alexander presented the following ordinances for discussion:

1. The need for vehicles. Ordinance submitted asks for 7 vehicles to be paid for with American Rescue Fund in the total amount of \$348,922.00. This had been previously discussed at the 12/22 meeting. The main concern is if we buy all 7 at one time we will not have the money to buy 7 at one time in the future. There was discussion regarding this and Sheriff Alexander stated he would submit as is at the upcoming budget meeting.

2. The need for medical care for the inmates. Beginning 01/01/23 the AAC quit paying for part of the healthcare ^{*DOC} which was costing us \$3000.00 per month in addition to what AAC was paying. Sheriff Alexander has obtained 3 bids along with contract renewal. The problem with the renewal is they have

been and are involved in lawsuits and we do not need to take a chance on this. Turn Key Health was selected as the lowest bid and they are already taking care of inmates in some areas of the state.

Medical Healthcare is required by standards.

3. Ordinance to create line item for the Christmas Shop with a Cop. We currently have \$4500 which needs to be appropriated in Line Item 3568. Since this line item had not been created \$1128.00 was paid out of general supplies for Shop with a Cop and this needs to be corrected.

4. Ordinance to hire 4 jailer positions. This had been discussed also at the 12/23 meeting.

5. Sheriff Alexander is requesting to hire a chief deputy and bailiff. The committee gave him the okay to write the ordinance.

ALSO to hire AN ADMINISTRATIVE Asst. for jail
The committee was concerned as to how this would be paid for and Sheriff Alexander stated none of the money would come from county general. The revenue from the jail should pay for the majority and Judge Stumph has agreed to transfer 3% of the sales tax received for his department to the Sheriff. This is anticipated to be approximately \$3000.00 per month. Sheriff Alexander also asked for the PILT money the county received of

\$299,000.00. The money can be spent for Law Enforcement among other items. This will need to be discussed. Sheriff Alexander stated the state inmate check for January was \$30,000.00. Also, a previous month in 2021 had not been billed but has been now and the amount was \$21,000. Also, they are turning in reimbursements for medicine they previously bought. It was noted that this all depends on revenue from inmates and what happened when we did not have the revenue. Sheriff Alexander says if we can not pay positions, they will be unemployed.

Meeting adjourned at 7pm.

An Ordinance Amending Ordinance 22-98 entitled the Annual Budget and Numbers and Compensation for 2023.

Whereas, by Section 14-14-1204, Ark. Code Ann., the elected officials (Judge, Sheriff, Collector, Clerk, Assessor, Treasurer and Coroner) are to receive a 3% Cost of Living wage increase. However, in the passage of Ordinance 22-98, the numbers and compensation portion was not adjusted to reflect the increase. Therefore, the following adjustments need to be made to Ordinance 22-98 retroactive to January 1, 2023.

Whereas, the Quorum Court voted on a raise for their regular meetings (Ordinance 22-100) to \$250 per meeting, as such, the numbers and compensation portion of the budget ordinance needs to be amended to reflect this change.

Whereas, the numbers and compensation portion of Ordinance 22-98 was actually a spreadsheet from Human Resources and did show the current wages for each position, however, the spreadsheet does not accurately reflect actual budget line items.

Article 1: Numbers and Compensation shall be amended as follows:

As Passed: See Exhibit 1, which is incorporated herein by reference.

As Amended: See Exhibit 2, which is incorporated herein by reference.

Article 2. This Ordinance herein enacted is an appropriation ordinance and therefore it is effective immediately.

Passed and approved by the Quorum Court of Marion County, Arkansas, on this _____ day of _____, 2023.

Approved: _____

Jason Stumph, Marion County Judge

Attest: _____

Dawn Moffet, County and Circuit Clerk

ORDINANCE 2023-_____

BE IT ENACTED BY THE QUORUM COURT OF MARION COUNTY, ARKANSAS, AN ORDINANCE TO BE ENTITLED:

AN ORDINANCE AMENDING THE ANNUAL OPERATING BUDGET AND NUMBERS AND COMPENSATION ORDINANCE 2021-124 AND ORDINANCE 2022-13 FOR CALENDAR YEAR 2022 FOR MARION COUNTY, ARKANSAS. APPROPRIATE FUNDS FOR ELECTION COMMISSIONERS TO BE PAID A PER HOURLY RATE FOR PERFORMING ELECTION-RELATED TASKS OUTSIDE A PUBLIC MEETING OR TRAINING, AND OTHER RELATED MATTERS.

WHEREAS, The State of Arkansas has mandated additional duties and responsibilities for County Election Commissioners without mandating compensation, and

WHEREAS, the Attorney General of the State of Arkansas issued Opinion No. 2016-040 on August 25, 2016 in which he opined that the term "election officials" does not apply to members of the County Board of Election Commissioner (CBEC) when it comes to pay even though Arkansas Code in 7-1-101(11) reads as follows *"(11) "Election official" or "election officer" means a person who is a member of the county board of election commissioners, a person who performs election coordinator duties, a person who is a poll worker designated by a county board of election commissioners to be an election clerk, election judge, or election sheriff, or a deputy county clerk or a person assigned by a county clerk to conduct early voting;"* and therefore are entitled only to statutory pay for public meetings, training of other officials, and election day unless the Quorum Court allows for an hourly rate for other election related activities; and

WHEREAS, from at least 2015 through 2021 members of the Marion County Election Commission have been paid hourly wages for preparation of elections over and above mere meetings or poll worker training in order to have open, fair and efficiently run election which included preparing the County for vote centers to make voting more accessible to citizens, and

WHEREAS, there has been a huge turnover in election commissioners in part due to the burdens placed upon them and it has been difficult for both the Democratic Party Committee of Marion County and the Republican Party Committee of Marion County to find people willing to serve pursuant to law, and

WHEREAS, the Marion County Quorum Court in 2022 refused to pay the Marion County Election Commissioners for the hundreds of extra hours they put in for the 2022 primary and general elections and the County Judge demanded return of the hourly funds paid out based in part on Attorney General Opinion 2016-040 and the County Judge further authorized with holding of any other pay until the county was "repaid", and

WHEREAS, the Marion County Quorum Court and the Marion County Election Commission want fair and open elections with responsible accounting for expenditures as it is their duties to the Citizens of Marion County and to the people of then State of Arkansas that with the agreement of the Marion County Election Commission the following provisions are adopted:

A. ACCOUNTING:

SECTION 1: As there is no elected official or department head to approve claims submitted by or on behalf of the Marion County Election Commission all claims submitted to the County for payment shall be approved by a majority of the Marion County Election Commission at a public meeting and each claim shall include the signature of at least two election commissioners.

SECTION 2: This accounting includes all pay or reimbursements sought by commission members, poll workers or other election officials as well as all other expenses of the election commission that are to be paid by the County out of the County Election Commission budget or any special fund or grant related to elections.

SECTION 3: If the election commissioners or any election official attend a meeting or workshop or other training in which they are to be reimbursed directly by the State or Federal Government for attending then no claim may be submitted or approved by the Marion County Election Commission to seek reimbursement from County funds.

B. PAYMENT FOR PUBLIC MEETINGS, ELECTION DAY AND TRAINING SESSIONS

SECTION 1: PUBLIC MEETINGS: For all public meetings called by the Marion County Election Commission Commissioners shall be paid on the following scale:

- ii. 2-4 hours \$50.00 per member
- iii. Over 4 hours \$100.00 per member

SECTION 2: TRAINING SESSIONS: Whether the election Commission is attending a training session (including those sponsored by a county or private entity but still located in Arkansas) or conducting a training session pursuant to law each commissioner in attendance shall be paid \$100 per session unless reimbursement may be sought under Section A3 above.

SECTION 3: ELECTION DAY: For primary elections, general elections and run-offs from those two elections where there is 3 or more run-offs in the County or State each election Commissioner shall be paid \$300.00 for "Election Day." If there are less than 3 races then \$100 per commissioner on Election Day for run-offs. For school elections, special municipal elections or referendums the election Commissioners shall be paid \$100 for Election Day and \$50 for any run-off.

SECTION 4: MILEAGE: No mileage shall be paid to any election commissioner for attending meetings, training or Election Day if those sessions occur in Yellville or Summit. Otherwise election commissioners may submit a claim if they used their personal vehicle or their spouse's personal vehicle and shall be paid at the rate the

county reimbursed other county employees for mileage. This section does not apply if reimbursement is possible under section A3 above and paid directly to the claimant.

C. PAYMENT FOR OTHER ELECTION RELATED MATTERS:

SECTION 1: The Quorum Court recognizes that there are times when members of the Marion County Election Commission will have to perform tasks to prepare for elections that are not practical for a public meeting such as issues that arise in early voting or preparing a vote center for an election, or addressing issues with improper billing by suppliers. Whenever it is practical the election commission should look to other election officials to handle matters and supply materials to election centers, however should members of the election commission be called to handle these tasks that are not part of the payment scheme set out in Section B1-3 above then they shall be paid at the same rate as poll workers.

SECTION 2: That each Marion County Election Commissioner shall be limited to 50 hours of paid additional work prior to election day for preferential primaries and 50 hours of paid additional work for general elections and 10 hours of paid additional work for run-offs for those elections and 10 hours of paid extra work for any school election (including run-offs) and 10 hours of paid additional work for any special municipal election or referendum.

SECTION 3: Election Commissioners are specifically excluded from claiming compensation for their own research, reading materials or preparation of matters to be presented to a County Committee or the Quorum Court UNLESS it involved gathering materials at the request of the Quorum Court or the Budget Committee nor shall Marion County Election Commissioners receive compensation for attending Quorum Court meetings.

D. 2022 MARION COUNTY ELECTION COMMISSION MEMBERS

SECTION 1: This is for appropriating of funds for the 2022 Election Commissioners to be paid an hourly rate for performing election-related tasks outside of a public meeting.

SECTION 2: That 2022 Election Commissioners hourly rate be set the same as the hourly rate for poll workers.

SECTION 3: This Ordinance is to be retroactive to January 1, 2022. That all 2022 election Commissioners who either repaid monies paid to them for hourly work or had them deducted from subsequent paychecks shall have those funds returned to them.

SECTION 4: All county employees and elected officials involved herein shall prepare all documentation necessary to effectuate the transaction described above.

SECTION 5: That once the funds are paid to the 2022 election commissioners as set out in section D3 above those commissioners shall have no further monetary claims for 2022.

E. EFFECTIVE DATE

SECTION 1: This Ordinance is herein enacted and therefore effective immediately.

SECTION 2: All ordinances or parts thereof that are in conflict with this ordinance are hereby repealed.

WHEREAS, the sole duty imposed by law of the Chairman of the Marion County Election Commission is to call meetings and to notify the press of the time and place of the meeting, and

Because all members of the Election Commission are equal and offer different solutions to the Quorum Court and its sub-committees it is in the best interest of the Marion County Election Commission to select one of its members to address the Quorum Court and the subcommittees on behalf of the Marion County Election Commission.

The Marion County Election Commission shall discuss proposals in their public meetings and vote on them prior to submitting them to the Quorum Court or the Marion County Quorum Court committees.

We, the majority of the Marion County Election Commission select *Christopher Carter* as sole representative to talk and submit proposals to the Quorum Court and its sub-committees on behalf of the Marion County Election Commission.
