## MARION COUNTY QUORUM COURT MINUTES

August 10, 2021

The Marion County Quorum Court held its regular meeting, on August 10, 2021 at 6 p.m., at the Marion County Courthouse. The Quorum Court did not meet in July due to an outbreak of the Coronavirus.

County Judge presided over the meeting. All Justices were present, with the exception of Justice Scrima.

Justice Brigham gave the invocation and Justice Madden led the pledge.

The minutes and all reports were approved. During the Law Enforcement reports Judge Massey stated that he was going to a meeting regarding a debt solution program. It was Judge Massey's understanding that for \$25 ArkTRECS will collect unpaid fees, fines and taxes for the county.

Judge Massey asked for a motion the move \$200,000 from County General to the Building Improvement Fund by Court Order. Justice Vancuren made the motion, Justice McCalla seconded, and the motion passed unanimously by voice vote.

Unfinished business:

New business:

Ordinance 2021-58 – Refund for Building Permit – Sponsored by Justice Scrima  
This ordinance was to refund \$100 to Doris Rasico for the building permit that she purchased on June 3, 2021. She later decided that she was not going to move to Marion County and requested her money back. The motion to adopt was made by Judge Nickels and seconded by Justice Vancuren. During the discussion Justice Brigham asked if there was a policy regarding a refund on a building permit. She suggested that at the very least that the ordinance be tabled and request that the Assessor come to the September meeting before making a decision to refund the money. Justice Nickels questioned if the court should receive a legal opinion about this. The motion to table the ordinance was made by Justice McCalla and seconded by Justice Nickels, the motion passed unanimously.

Justice Madden made the motion to read the rest of the ordinances by title only, Justice McCalla seconded, and the motion passed unanimously.

Ordinance 2021-59 – Correcting the Final Settlement – Sponsored by Justice Scrima. This ordinance corrects a clerical error in the transferring of final

settlement funds for the 2019 taxes collected in 2020. The Treasurers is authorized to transfer \$42251.37 from County General into the Collector's Automation Fund. The motion to adopt was made by Justice McCalla and seconded by Justice Underwood and passed unanimously.

Ordinance 2021-60 – Refund to Corelogic Real Estate – Sponsored by Justice McCalla. This ordinance allows for a refund of property taxes to Corelogic Real Estate Tax Services in the amount of \$1177.86. The motion to adopt was made by Justice Madden and seconded by Justice McCalla. The motion passed unanimously.

Ordinance 2021-61 - Refund to Wells Fargo – Sponsored by Justice McCalla. This ordinance allows for a refund of property taxes to Wells Fargo Real Estate Tax Services in the amount of \$1272.59. The motion to adopt was made by Justice McCalla and seconded by Justice White. The motion passed unanimously.

Ordinance 2021-62 – Jury Reimbursement – Sponsored by Justices Nickels, White, McCalla and Scrima. This ordinance reimburses the Jury Per Diem line item. The county received a reimbursement from the state in the amount of \$1900.00. The motion to adopt was made by Justice McCalla and seconded by Justice White. The motion passed unanimously.

Ordinance 021-63 – Legal Services – Sponsored by Justices Brigham, Vancuren, White and Scrima. This ordinance will allow the Court to transfer \$12000.00 from the Prosecuting Attorney personal services budget into a new line item in the Quorum Court budget for exclusive legal services. Deputy Prosecutor Chris Carter spoke on behalf of his office. He mentioned that the \$12000.00 taken from his budget would eliminate an employee. The Quorum Court gave this individual a raise two months ago. If the position is eliminated the employee will be able to request a grievance hearing. Carter continued to state that the Court was not looking at David Ethredge to be the county attorney, but was looking for him do to it. He stated that he did not need more stuff to do. Carter also pointed out that this situation had created quite a stir in Little Rock, and the Prosecutor's office and the Association of Counties opinion was that if the money has been appropriated in the court's budget the Prosecutor is not the county attorney. Carter offered two remedies. One being, filing a writ of mandamus which is a law suit against Ethredge. The second one being, getting a federal grant to hire an attorney. Justice White commented that the law says that we must have an attorney, but there was no ordinance or no contract to outline to duties of the attorney. Justice McCalla asked why the money was being taken from Carter's office rather than County General. She commented that there was plenty of money in County

General. Justice Madden asked Chris what his honest opinion was. Carter responded that \$36,000 should be pulled from County General to cover the cost of an attorney for everyone. The motion to table the ordinance was made by Justice Madden and seconded by Justice McCalla. The motion passed with Justice Vancuren voting against it.

Ordinance 2021-65 – Library Hiring Freeze – Sponsored by the Budget Committee. This ordinance will lift the hiring freeze at the Library, so that open positions can be filled immediately. During the discussion, Justice White mentioned that he thought if we are going to lift hiring freezes it should be done across the board, rather than doing it for one office at a time. Justice McCalla stated that the only reason this freeze was lifted is because all the monies come from the Library fund. The motion to adopt was made by Justice McCalla and seconded by Justice Brigham. The motion passed with Justices Nickels and Justice Vancuren voting against it.

Ordinance 2021-66 – Credit Card Policy in Personnel Policy – Sponsored by the Personnel Committee. This ordinance implements a credit card usage and payment policy in the Personnel Policy. Basically, all credit cards must be returned and have verification of a zero balance before a final check is distributed. The ordinance as written stated that it was the City of Yellville, however, during the discussion it was determined that it was actually the City of Summit. **Training:** All staff are continuing to complete their virtual training requirements. In-class training is scheduled for ACIC/NCIC later this year.

**Staffing:** We are currently staffed with 5 full time and 0 part time staff. Leaving us down 3 full time and 2 part time. We are actively recruiting and interviewing potential new hires.

**Technical Issues:** There were no major technical issues for the month of August.

**Operations:** Our daily operations were stretched pretty thin. We had 2 Dispatchers out for COVID Quarantining but we were all able to work out a schedule to cover all shifts. I am very proud of my dispatchers, by stepping up when we were in a bind.

We've had some storm damage that uprooted several trees.

We have graded 81 roads and hauled material to 37 of these roads

We have been doing a lot of right away mowing.

Side arms are staying busy

Marion County Personnel Meeting  
August 19, 2021

At 5:30 p.m., Chairperson Joyce McCalla called the meeting to order: Justice McCalla, Justice White, Justice Brigham, Justice Underwood and Justice Nickels were all present.

The first order of business presented was the hiring of an attorney. Justice White mentioned that he had talked to Attorney Ron Kincade and he would prefer a clean break with the current lawyer. Clerk Moffit asked if the attorney would represent both the quorum court and the elected officials. Prosecutor David Etheridge took the floor and answered, til an attorney is hired, his office would have a representative at the meetings. It was asked how many attorneys the prosecutor has , and it was answered eight. Prosecuting Attorney Chris Carter elaborated that that he will attend meetings to answer general questions. He added that his expertise is not county law. A member of the audience, Carrie Browner, brought up that a state act requires an ordinance for the placement of an attorney. Prosecutor Etheridge reinstated that his office will, once again, serve Marion County. The committee recommended that we accept the proposal that was presented for the position of county attorney.

The next subject for discussion is county office hours which are, according to the handbook; 8am to 4:30 pm, with the exception being the road department. Justice Brigham suggested we get a clear state labor law perspective that there is two, 15 minute breaks with a half hour lunch. Justice Underwood asked of Prosecutor Etheridge if he had an opinion; he answered he'd research the issue.

The next order of business is leave payout, brought to the committee by Judge Massey. The question is accrued vacation and how it will be paid out? The definition, as offered by Prosecuting Attorney Chris Carter should be banked vacation. Justice McCalla suggested we change the personnel handbook, to make it a flat allowance per pay period. The adjustment for extended service must be considered. Judge Massey was contacted by phone and being put on speaker phone commented, Marion County is the only county to pay out accrued vacation time. Justice Brigham suggested we pay accrued vacation time after 90 days of employment and a flat 40 hours after 1 year of service. According to Comptroller Crespino sick time is paid at 3.69 hours per pay period.. Justice Brigham offered to rewrite the subject for the employee manual for the 1<sup>st</sup> budget meeting in September.

The next subject to be discussed was weekly or bi-weekly paydays. Sheriff Evans addressed the issue that overtime is paid on the second check of the month. It was mentioned by Law Enforcement representative Zeb Gilley, needs to be paid on every payday as per the U.S. labor laws and to ignore the issue could create a problem. Judge's Assistant Karen Carter handed all members of the committee, a worksheet from the U.S. Department of Labor. The handout showed that we need to make a correction to the payout process of overtime. Chairperson Justice McCalla suggested we rewrite the

personnel manual to 86 hours in a 14 day period; over that is overtime.

The next order of business was the recently passed ordinance addressing the use of county credit cards and the ordinance should be stated in the employee handbook. Justice White presented the argument. Law Enforcement Assistant Joan Vickers stated all receipts from the sheriff are handed in.

Justice McCalla asked if there was anything to add or subtract from the personnel manual? Judge's Assistant Karen Carter suggested we use the words Comptroller instead of clerk.

The meeting was adjourned at 7:25 p.m.

- In no case shall the Committee's grant or denial of catastrophic leave be discriminatory.

#### **RECEIPT OF LEAVE**

- Employees on catastrophic leave will be considered on "payroll" and all normal benefits/deductions will be maintained.
- Nothing in the Program shall be construed to waive any right the County has under FMLA to request reimbursement for health insurance premiums paid by the County during an employee's FMLA leave.

- Any vacation and sick time accrued during catastrophic leave will be used first and then leave bank time will be allocated.
