New Business:

The motion to read by title only was made by Justice Vancuren and seconded by Justice White. The motion passed unanimously.

Ordinance 2022-45 – Boat Safety Fund – Sponsored by Justice Shipman. This motion moves \$14000.00 from the Boat Safety Emergency Fund (3019-0400) to a new fund, Boat Safety Emergency Fund – Office of Emergency Management (OEM) (3019-0500), in compliance with Arkansas Code 27-101-111. Currently this fund be being overseen by the Sheriff's office. However, the Sheriff Department does not patrol waterways within the county. This fund was established in 1989 as a rescue fund. The motion to adopt was made by Justice Scrima and seconded by Justice Nickels. During the discussion, Justice Shipman stated that the money was only being moved under a different office but would be spent in the same way. Sheriff Evans stated that he was against this change and continued to state that he had not been aware of the budget meetings when this was discussed. Justice Scrima commented that this change is just where the money is appropriated. And that he felt that there was a need for this money to be used by an established waterway patrol and rescue team. Justice Shipman continued that it was easier for the rescue team with this change, because the team is now paying for equipment out of their own pockets. He continued that Game and Fish had used some of the money for ghillie suits. He said that unless they were hiding for the people they were trying to rescue, that wasn't a good use of the money. There is a difference between enforcement and rescue. Justice Brigham called for the question. A vote was taken on the adoption of the ordinance with Justices Scrima, Nickels, Underwood, Shipman, Brigham and McCalla voting for the ordinance. Justices Vancuren and White voted against the ordinance and Justice Madden abstained. The motion passed. After the vote, Justice Vancuren stated that he thought that he was voting on "calling the question." Justice Brigham pointed out

that she did not make a motion, she had simply called for the question to end the discussion. Prosecuting Attorney, David Ethredge, (standing in for County Attorney, John Russo) was consulted and he stated that the correct procedure was followed.

Ordinance 2022-46 – Road Department – Truck Purchase – Sponsored by Justice Madden. This ordinance allow the County Judge to purchase a 2011 Ford F150 pickup truck S/N 1FTFX1EF0BFC12857 for the purpose of transporting the equipment and materials necessary for installing county road signs. Marion County Budget Committee  
August 24, 2022

Chairperson Joyce McCalla called the meeting to order at 5:35 pm. In attendance were Justice Scrima, Justice Brigham, Justice White, Justice McCalla and Justice Nickels.

Item #1: an ordinance setting the salary for election commissioners at \$11.50 per hour. Prosecutor Russo spoke on how the funds are distributed and added that the expenditures have not been made in accordance with the law. He suggested the quorum court needs to create an ordinance to pay the election commissioners and poll workers; it needs to be made right. Justice Scrima spoke that both the commissioners and poll workers have not been put into the numbers and comps. Clerk Moffit stated that the State of Arkansas only reimburses the county for the primary election and not the general election. Justice White questioned how the early voting affected the budget? Clerk Moffit stated that a large portion of the election budget goes to the coding of the machines. Prosecutor Russo again stated that the election commission does need this ordinance and it's the responsibility of the quorum court to enact it. Commissioner Jimmy Lynch spoke on how things have been done and he would not charge for his presence at the meeting. Justice Brigham questioned who was responsible for the Bull Shoals election to be held 2 weeks prior to the election itself? Clerk Moffit answered it was the election commissioners themselves. Prosecutor Russo, once again added, that no election commissioner should be paid till there's an ordinance in place. Justice McCalla added that we should table this action for the next quorum meeting. Justice McCalla stated she would sponsor the ordinance.

Item #2: an appropriation ordinance in the amount of \$70,950.00, coming from line 1803 for the distribution of funds to the Marion County Fire Departments. The committee agreed to sponsor this ordinance.

Item #3: an amended appropriation ordinance from The American Rescue Fund for the amount of \$408,245.22. This ordinance will bring the E-911 a much needed upgrade for its communication ability. The committee agreed to sponsor this ordinance.

Item #4 An appropriation ordinance for the coroners office for the amount of \$800.00 for body bags. The funds will be transferred from line 1005, the Corona Virus Relief Fund. The committee agreed to sponsor this action

Item #5: An appropriation ordinance requested by the assessor for the costs of corona virus tests in the amount of \$198.72. The committee agreed to sponsor this request.

Item #6 an amended appropriation from the American Rescue Fund, line 3046, for the purchase of services and equipment to support the Marion County Fire Departments communication program. The amount requested is \$170,105.30. The committee agreed to sponsor this ordinance.

Item #7 a presentation by Prosecutor Russo addressing the boating safety ordinance that was recently passed by the quorum court. Dating back to 1989, it was established that The Marion County Sheriffs Department would patrol the

waters of the county. To fix the problem, we need to talk to the sheriff elect and all involved. Sheriff Evans was asked by Justice Brigham when he first learned of this action, he responded, when he opened his packet. Prosecutor Russo added that there needs to be a public meeting to rescind this ordinance.

Item #8 Chairperson Justice McCalla questioned the committee, when should we start the 2023 budget process? Justice Scrima suggested, we start the first week of October; 10/07/22 on Tuesdays and Thursdays. Justice Scrima added he would e-mail all members of the committee a schedule.

Item #9 Mountaineer Echo Editor Robert Lyons questioned why has the posting of ordinances, been rewarded to the Baxter Bulletin? Prosecutor Russo spoke that the decision should remain with the Marion County Clerk and as the county secretary; it should be her decision

The meeting adjourned at 6:55 pm.

Marion County Budget Committee  
August 24, 2022

Chairperson Joyce McCalla called the meeting to order at 5:35 pm. In attendance were Justice Scrima, Justice Brigham, Justice White, Justice McCalla and Justice Nickels.

Item #1: an ordinance setting the salary for election commissioners at \$11.50 per hour. Prosecutor Russo spoke on how the funds are distributed and added that the expenditures have not been made in accordance with the law. He suggested the quorum court needs to create an ordinance to pay the election commissioners and poll workers; it needs to be made right. Justice Scrima spoke that both the commissioners and poll workers have not been put into the numbers and comps. Clerk Moffit stated that the State of Arkansas only reimburses the county for the primary election and not the general election. Justice White questioned how the early voting affected the budget? Clerk Moffit stated that a large portion of the election budget goes to the coding of the machines. Prosecutor Russo again stated that the election commission does need this ordinance and it's the responsibility of the quorum court to enact it. Commissioner Jimmy Lynch spoke on how things have been done and he would not charge for his presence at the meeting. Justice Brigham questioned who was responsible for the Bull Shoals election to be held 2 weeks prior to the election itself? Clerk Moffit answered it was the election commissioners themselves. Prosecutor Russo, once again added, that no election commissioner should be paid till there's an ordinance in place. Justice McCalla added that we should table this action for the next quorum meeting. Justice McCalla stated she would sponsor the ordinance.

Item #2: an appropriation ordinance in the amount of \$70,950.00, coming from line 1803 for the distribution of funds to the Marion County Fire Departments. The committee agreed to sponsor this ordinance.

Item #3: an amended appropriation ordinance from The American Rescue Fund for the amount of \$408,245.22. This ordinance will bring the E-911 a much needed upgrade for its communication ability. The committee agreed to sponsor this ordinance.

Item #4 An appropriation ordinance for the coroners office for the amount of \$800.00 for body bags. The funds will be transferred from line 1005, the Corona Virus Relief Fund. The committee agreed to sponsor this action

Item #5: An appropriation ordinance requested by the assessor for the costs of corona virus tests in the amount of \$198.72. The committee agreed to sponsor this request.

Item #6 an amended appropriation from the American Rescue Fund, line 3046, for the purchase of services and equipment to support the Marion County Fire Departments communication program. The amount requested is \$170,105.30. The committee agreed to sponsor this ordinance.

Item #7 a presentation by Prosecutor Russo addressing the boating safety ordinance that was recently passed by the quorum court. Dating back to 1989, it was established that The Marion County Sheriffs Department would patrol the

waters of the county. To fix the problem, we need to talk to the sheriff elect and all involved. Sheriff Evans was asked by Justice Brigham when he first learned of this action, he responded, when he opened his packet. Prosecutor Russo added that there needs to be a public meeting to rescind this ordinance.

Item #8 Chairperson Justice McCalla questioned the committee, when should we start the 2023 budget process? Justice Scrima suggested, we start the first week of October; 10/07/22 on Tuesdays and Thursdays. Justice Scrima added he would e-mail all members of the committee a schedule.

Item #9 Mountaineer Echo Editor Robert Lyons questioned why has the posting of ordinances, been rewarded to the Baxter Bulletin? Prosecutor Russo spoke that the decision should remain with the Marion County Clerk and as the county secretary; it should be her decision

The meeting adjourned at 6:55 pm.
