MARION COUNTY QUORUM COURT MINUTES

May 10, 2022

The Marion County Quorum Court held their monthly meeting beginning at 6 p.m.

County Judge Massey presided over the meeting. All Justices were present. Justice Brigham gave the invocation and Justice Madden led the pledge.

The minutes and all reports were approved. During the Treasurer's report, Justice Brigham asked when the jail was going to be paid off. Treasurer Purdome did not know the answer to the question, but Judge Massey stated that he would find out and let the Justices know.

Justice Madden made a motion to read the ordinances by title only, Justice McCalla seconded the motion and it was passed unanimously.

Old Business:

Ordinance 2022-11 – Library – Personnel Policy – Sponsored by Justices McCalla, Brigham and Nickels. This was the third reading of this ordinance which will amend the Personnel Policy to include the normal working hours for the Marion County Library. The motion to adopt was made by Justice Vancuren and seconded by Justice Nickels. The motion passed unanimously.

New Business:

Ordinance 2022-28 – 2021 Budget – Clerical Errors – Sponsored by Justice McCalla. This ordinance correct two clerical errors in the 2021 operation budget. Receipt #28059 was entered into the County Library fund (3008) in the amount of \$10368.00. This amount should have been put into the Library State Aid fund (3088). In addition, \$115.50 was moved from the Property Tax Relief fund (6003) to County General fund (1000). The motion to adopt was made by Justice Vancuren and seconded by Justice McCalla. The motion passed unanimously.

Ordinance 2022-29 – Treasurer's Commission – Sponsored by Justice Scrima. This ordinance is an appropriation ordinance to transfer Treasurer's Commission from fund 6000 for the expenses of the Treasurer's office for the year 2021. This ordinance will transfer \$172045.49 to the various funds entitled to the reimbursement. The motion to adopt was made by Justice Vancuren and seconded by Justice Scrima. However, an error was pointed out by Treasurer Purdome and so the ordinance needed to be amended for the correct amount of \$172941.75.

County Attorney John Russo noted that in the motion to amend it should also state who was responsible for making the amendment. The motion to amend the ordinance and for the Treasurer to make the change was made by Justice Vancuren and seconded by Justice McCalla. The motion passed unanimously.

Ordinance 2022-30 – Road Department – Appropriation – Sponsored by Justice Shipman. This ordinance appropriates \$20000.00 from the County Road fund (2000) to the line items of 2000-0200-5005 – Note Principal (\$16266.30) and 2000-0200-5006 Note Interest (\$3733.70). These funds will be used to make the payments on a 2022 Sany Roiad Grander (SMG2000C-8, S/N PY1120CA0385 through Arvest Bank. The motion to adopt was made by Justice Vancuren and seconded by Justice Nickels. The motion passed unanimously.

Ordinance 2022-31 – Sales Tax – Percentage Breakdown – Eventually sponsored by Justices Brigham, Madden and McCalla. This ordinance did not have sponsors before the beginning of the meeting. Justices Brigham, Madden and McCalla agreed to sponsor. This ordinance adopts Ordinances 82-15 and 84-1 and incorporates them as the distribution of Sales Tax funds. Therefore, the distribution listed in Ordinance 2021-112 as amended to read as follows:

45.00%	County Road Improvements
21.00%	Law Enforcement
21.00%	Solid Waste (Transfer Station)
13.00%	Rural Fire Departments

This ordinance is necessary to satisfy a request from the auditors to be in compliance with Ark. Code Ann. 14-14-905(b)(B)(2). The motion to adopt was made by Justice Madden and seconded by Justice McCalla. The motion passed unanimously.

In other business, Assessor Tonya Eppes asked to be placed on the agenda to discuss a court order. Eppes had presented Judge Massey with a court order to move the money in her Machinery and Equipment line item into her Computer Software line item and Judge Massey declined to sign it. The software is to pay for the services of Datascout, which is part of the mapping program. She stated that she was not asking for any more money, and therefore was staying within the budget amount she was given. Judge Massey stated that he would not sign a court order, and wanted there to be an ordinance presented to the Quorum Court. When asked, Eppes stated that the amount to be moved was \$7677.52. Justice Vancuren stated that he thought that the ordinance should be presented to the budget committee before it was placed on the next agenda.

County Attorney Russo commented that his office and the Sheriff's office had been working together and have gotten the automated fine payment program up and running. He stated that the delinquent fines would be tracked by this program and each month letters would be generated to those who need to pay their fines.

The meeting was adjourned.

GRANT REPORT
QUORUM COURT, TUESDAY, JUNE 14, 2022

AMERICAN RESCUE FUNDS

We will have a meeting with the Northwest Arkansas Development District regarding plans for use of American Rescue Funds for various projects throughout the county.

I have went to the portal and have put in a request for our remaining funds in the amount of \$1,621,307.00. It looks like it may be after July 15, 2022 before we get a check.

COURT SECURITY

We received notice that we did not receive the Court Security Grant at this time and will reapply at the next opportunity.

FIRE DEPARTMENT

Oakland Promise Land Fire Protection District received a check in the amount of \$12,232.62 to purchase battery operated extraction tools for cutting and spreading crushed metal at vehicle accidents. These tools are commonly known as the "Jaws of Life." Appropriations will need to be done and will be presented at the July meeting.

SHERIFF'S OFFICE

eCrash/ecite System Grant by the Arkansas State Police – Equipment has been installed. Officers are receiving training. The State Police have been having issues with the web site so the reporting and reimbursement process has taken longer than expected. They have been working with me and I believe the county will get their reimbursement some time after July 1, 2022. The reimbursement check we get should go back into the 1005 Coronavirus Relief Fund per Ordinance 2022-7.

Respectively Submitted,

Karen A. Carter, County Administrative Assistant

Marion County
Budget and Personnel Committee
May 26, 2022

Chairperson Joyce McCalla called the meeting to order at 5:32 pm. Justice Brigham, Justice Vancuren, Justice Scrima, Justice McCalla and Justice Nickels were all in attendance.

Item #1: The replacement of windows at the MC health office. Director Val just needs the ok to seek bids, The committee agreed to the request.

Item # 2: The erection of 15 storm shelters in various Marion County communities. The estimated cost of each shelter will be \$7,500.00, and the total cost from the rescue grant will be \$112,500.00.

Item #3: to relinquish the stamp machine from the Collectors office and to transfer \$2,700.00 back to the general fund. Collector Todoro requested that the office keep \$750.00 for general supplies. The question of budgeted overtime for the office arose, and it was added that it no longer necessary.

Item #4: The installing of low energy light bulbs through- out the county building.

Item #5: An appropriation ordinance of the Marion County Election Commission budget line 1000-0109 to be submitted to the Arkansas State Board of Election Commission by Clerk Moffit of \$13,466.04.

Item #6: presented by Judge Massey. The action to send back the leased graders. Currently, new CAT graders cost \$325,000.00. Also he'd like to pay back \$200,000.00 to the building fund

Item #7: An appropriation brought up for the \$52,000.00 from the MC Sheriff's office from the commissary sales. The committee agreed to table the discussion til later. Justice White talked to Suzie at the sheriff's office and she needed to investigate the issue further.

Item #8: the Assessor's office contract with the appraisal company for appraisals, and the additional costs there of. Each Justice was e-mailed a copy of the contract Delta, but it seems that that the contract in question is the agreement with Datascout LLC. For the mapping for the office of various properties. It seems that the contract was altered after the signing date. The number of parcels has increased to 18,050, but has also increased by 92 more. Each parcel charged to the state is \$7.00, and any over the 18,050 is \$20.00 each. Judge Massey stated that there should be a paper trail and copied of cashed checks. Justice Vancuren added that the contract states that the serving company pay for the camera and now, they want MC to pay \$8,000.00. This discussion was tabled til there's more information.

Item # 9: An appropriation ordinance for fund 3004 of \$3,000.00 for small equipment in the Assessors office.

Item #10: presented by Justice Scrima, involving Yellville Metro. According to what is currently happening, the part- time position has not been filled and the full- time officer; who was at the police academy, has been placed as a deputy. The question of shift differential came up with the dispatchers by Judge Massey.

This was tabled for further discussion.

Item #11: Presented by Dwayne McFarland, OEM director. It was stated that our dispatch equipment is basically broken, and MC is depending on Baxter County to call out police and fire. The quote from A&W Communications is basically \$408,245.22. It was asked how much money do we have and can we use the rescue funds? It was suggested by Judge Massey, that we need to look at the quotes and figure what we really need. It was suggested to Dwayne, that he approach the City of Bull Shoals and the City of Flippin, to see what they can offer. We will need possibly \$100,00.00 from those cities.

Item # 12: personal service adjustments presented by Comptroller Suzie Crespino. Just many transfers for example; \$7,173.00 to contract labor for the District Court.

Item # 13: The renovation of the old MC Sheriff's office discussed by Judge Massey.

Item #14: For the record, a complaint presented by a MC Citizen of candidate Jason Stumph wearing his uniform and weapon to candidate's events.

Item #15: Judge Massey offered that the road department fuel bill is \$50,000.00 to \$75,000.00 a month and that he must lay off employees.

The meeting adjourned at 7:10 pm.

The following ordinance may look familiar, which it is, as a similar version was passed at the May Quorum Court meeting.

Here's the story: When I went to update the Personnel Policy the paragraph under the As Reads portion of the ordinance was an older version of the policy. Therefore, at the advice of County Attorney John Russo, the new ordinance was composed.

This does not have an emergency clause on it. However, the Justices may suspend the rules and read it on three readings in this meeting, or read it at the next three meetings.

Thank you for your time.

Sincerely,

A handwritten signature in black ink, appearing to read "Dawn Moffet", with a large, stylized initial "D" and "M".
