

**New Construction Application for Residential & Commercial
Water, Sewer & Irrigation**

When applying for water meter/sewer tap or irrigation meter you will be required to provide a copy of your permit from the city. This can be brought to the main office or sent via email to: applications@clevelandutilities.com

Any request for new services will not be submitted to Cleveland Utilities Water Department until all permits and information are provided, and all access fees are paid which could result in a delay in service installation.

All commercial accounts require a deposit.
