Sexagesima Sunday

February 8, 2026

Com. of St. John of Matha

Please observe silence in the church after Mass out of respect for Our Lord in the Blessed Sacrament and so as not to disturb people who are praying.

Fr. Bernard Hall is closed until further notice.

FOR OUR VISITORS: In 2010 the Vatican clarified that there is no provision for receiving Holy Communion in the hand at the Traditional Latin Mass. The universal norm for the reception of Holy Communion throughout the world is to receive on the tongue at all Masses in either form. However in the United States, those who wish to receive in the hand may do so but only at the new form of Mass, not at the Traditional Latin Mass. The Bishops of the United States have further clarified that this decision is left to the individual receiving not the minister.

The Church of the Assumption has preserved the traditional practices regarding the reception of Holy Communion. Many of our parishioners feel very strongly that Communion in the hand is not appropriately reverent for such a solemn moment. As our Guests, please respect the customary practices of the Church of the Assumption and in charity consider the sincere and deeply held beliefs of our parishioners as you approach Holy Communion.

Please stay out of the cordoned off area, the vestibule, baptismal chapel, bathroom and choir loft as well as the area under the choir loft, this is for your safety. The engineering firm has requested we stay out of this area for now. **FBH Restroom Access is no longer restricted since they are the only restrooms currently accessible.**

Replating of Vessels: Fr. Price would like to get a few of the vessels replated. Donations are still needed for this worthy cause. Any donations are greatly appreciated.

NEED THE ASSISTED LISTEN SYSTEM FOR THIS MASS? Follow these steps: **Download the ListenWiFi App on your smart device (phone)> Connect to the Church WiFi (named "COA")** when you arrive at church> use the **password AssumptionNashville**

Policy on Supervision of Children on Assumption Property In accordance with the Diocesan Safe Environment Policies and best practices, as of January 1, 2023, all children 12 years and younger must be accompanied by a parent, adult or sibling over 16 years old while on all Assumption property.

No Vespers this Sunday evening.

Construction Update: Please be aware that work will be ongoing on the property and that we are once again a construction site. Stay aware of your safety and that of your family. Work on Fr. Bernard Hall gutters & downspouts will wrap up shortly. The engineering firm is working with us to help repair the church roof which is sagging about 5 inches and repair the masonry arches in the steeple which have cracks in them. Bliemel Park is closed until further notice. Please be patient with us as we are still struggling to take care of some remaining details to complete the church.

If you would like to donate towards the flowers on the altars please contact the church office. Flowers on the altars have been arranged for a balanced appearance. Do not place unapproved flowers on the altar, these will be removed and disposed of.

Assumption will be hosting a **course in Gregorian chant** run by members of the men's schola on Saturdays beginning in mid-January. Registration is at <https://dioceseofnashville.ccbchurch.com/goto/forms/933/responses/new>. Please contact Matthew from the schola at assumptionnashvilleschola@gmail.com with any questions.

There is now an option to donate towards Assumption's **Men's Schola** or **Sacred Music Program** on our website.

Note: the church office will be operating remotely the week of Feb. 16th—20th. The Cooper's will be in South Carolina visiting their new grandson. Please contact us via email during this time. **Services in the church will continue as usual.**
