Tenth Sunday after Pentecost

August 17, 2025

Com. of St. Hyacinth, Octave of Assumption &
Octave Day of St. Lawrence

Please observe silence in the church after Mass out of respect for Our Lord in the Blessed Sacrament and so as not to disturb people who are praying.

Fr. Bernard Hall downstairs is closed until further notice.

FOR OUR VISITORS: In 2010 the Vatican clarified that there is no provision for receiving Holy Communion in the hand at the Traditional Latin Mass. The universal norm for the reception of Holy Communion throughout the world is to receive on the tongue at all Masses in either form. However in the United States, those who wish to receive in the hand may do so but only at the new form of Mass, not at the Traditional Latin Mass. The Bishops of the United States have further clarified that this decision is left to the individual receiving not the minister.

The Church of the Assumption has preserved the traditional practices regarding the reception of Holy Communion. Many of our parishioners feel very strongly that Communion in the hand is not appropriately reverent for such a solemn moment. As our Guests, please respect the customary practices of the Church of the Assumption and in charity consider the sincere and deeply held beliefs of our parishioners as you approach Holy Communion.

Cantate Domino": learn to sing and pray the music of the Roman Catholic Church, which gives life to the texts of her sacred liturgy. Register at <https://dub.sh/ISaMxy2>. For questions, please contact Matthew Roth from the schola at assumptionnashvilleschola@gmail.com

Fr. Price requests that at weekday Masses for reasons of security, please enter the church via the courtyard and the south transept door. Thank you.
