Payment Policy

Funeral Home Payment Policy

We know that many times death comes at a time when you, the survivors, are least prepared financially. A funeral is not meant to become a financial burden for anyone. Our payment policy was adopted to ensure that we meet our financial obligations and thus remain able to continue to provide the families that we serve with the quality healing experiences to which they are entitled.

Before you leave today, your funeral director will discuss the following terms for payment with you and provide you with an itemized list of goods and services that you have selected.

We offer several options for payment:

A fully funded Pre-arranged Funeral Contract

(The balance due for non-guaranteed cash advance items and/or additional items added to the contract that were not in the original pre-arrangement are due before the day of the service.)

Payment by Cash or Personal Check

(Expenses must be paid in full before services can be scheduled.)

Payment by Card ~ We accept Visa, MasterCard, Discover Card or American Express

(There will be a 3% fee incurred for payments made by credit card and expenses must be paid in full before services can be scheduled.)

Insurance Assignment ~ Policies MUST be verified by the Funeral Home prior to the scheduling of services or placement of an obituary

We regret that we are unable to accept the settlement of an estate through an attorney or probate court as a means of a financial arrangement.

Please let us know which method of payment you prefer and if you have any questions.
